HERBINE

The Popular Liver Medicine Will Keep You Well

A GUARANTEED CURE for all diseases produced by TORPID LIVER and IMPURE BLOOD. Do not fill your system with Arsenic, Calomel and Quinine. They act as rank poisons which vitiate the blood, debilitate the system, and leave a trail of bad symptoms which require years to obliterate. HERBINE is purely vegetable and contains no mineral or narcotic poisons. It is absolutely harmless and is the simple remedy of nature. It carries off all poison in the system and leaves no injurious effects.

CURED BY HERBINE AFTER OTHER
REMEDIES FAILED

Mr. L. A. Hicks, Iredell, Texas, says: "I was sick in bed for eight months with liver trouble, the doctor seemed to do me no good. I was told to try Herbine, and it cured me in a short time. I cannot recommend this wonderful medicine too highly."

Woman's Trials.

The bitter trail in a woman's life to be childless. Who can tell how hard the struggle may have been ere she learnt to resign herself to her lonely lot? The absence of this link to bind marital life together, the absence of this one pledge to mutual affection is a common disappointment. Many unfortunate couples become estranged thereby. Even if they do not drift apart, one may read the whole extent of their disappointment in the eyes of such a childless couple when they rest on the children of others. To them the largest family does not seem too numerous. In many cases of barrenness or childlessness the obstacle to child-bearing is easily removed by the cure of weakness on the part of the woman. Dr. Pierce's Favorite Prescription has been the means of restoring health and fruitfulness to many a barren woman, to the great joy of the household. In other, but rare cases, the obstruction to the bearing of children has been found to be of a surgical character, but easily removable by painless operative treatment at the Invalids' Hotel and Surgical Institute, Buffalo, N. Y., over which Dr. Pierce of the "Favorite Prescription" fame presides. In all cases where children are desired and are absent, an effort should be made to find out the real cause, since it is generally so easily removed by proper treatment.

In all the various weaknesses, displacements, prolapsus, inflammation and debilitating, catarrhal drains and in all cases of nervousness and debility, Dr. Pierce's Favorite Prescription is the most efficient remedy that can possibly be used. It has to its credit hundreds of thousands of cures—more in fact than any other remedy put up for sale through druggists, especially for woman's use. The ingredients of which the "Favorite Prescription" is composed have received the most positive endorsement from the leading medical writers on *Materia Medica* of all the several schools of practice. All the ingredients are printed in plain English on the wrapper enclosing the bottle, so that any woman making use of this famous medicine may know exactly what she is taking. Dr. Pierce takes his patients into his full confidence, which he can afford to do as the formula after which the "Favorite Prescription" is made will bear the most careful examination.

Dr. Pierce's Pleasant Pills are the best and safest laxative for women.

dem., 1386; Eshaines, soc., 343; Miller, pro., 173; Bailey's plurality, 1255.

Joint Representative, Clackamas and Multnomah—Campbell, rep., 2572; Fankhauser, pro., 210; Meloni, soc., 386; Nelson, dem., 1285; Campbell's majority, 681.

Clark's Biograph pictures come highly recommended and are the real thing from films made in San Francisco while the United States regular troops were busy dynamiting buildings and the photographers frequently had to fly with the huge camera to escape the showers of falling brick and stone. The Woodland Mail gives the entertainment high praise in the following words:

"The moving picture performance given by Clark's American Bioscope Company at the operanous Tuesday evening was one of the best things of the kind ever seen in the city. The motion pictures were clear and well

selected, and the scenes of the San Francisco fire were remarkably well reproduced. The illustrated songs gave opportunity for a number of pleasing colored views. The singing of Miss Simm- was greeted with hearty applause and her piano playing was also highly approved.

Rock Crusher Sold.

The Warren Construction Company, of Portland, has purchased a rock crusher from the county at a cost of \$250. The machine was purchased about 12 years ago and its first cost was \$600, but it is not adapted for the needs of the roads of Clackamas county and was offered for sale some time ago. The county will soon purchase a new rock crusher, and will buy a lighter machine, which will be used first on the Viola hill.

Unknown Friends.

There are many people who have used Chamberlain's Colic, Cholera and Diarrhoea Remedy with splendid results, but who are unknown because they have hesitated about giving a

testimonial of their experience for publication. These people, however, are none the less friends of this remedy. They have done much toward making it a household word by their personal recommendations to friends and neighbors. It is a good medicine to have in the home and is widely known for its cures of diarrhoea and all forms of bowel trouble. For sale by Huntley Bros. Co., Oregon City and Molalla.

Kelland-King.

Rev. P. K. Hammond, rector of St. Paul's Episcopal church, went to New Era Wednesday and officiated at the marriage of Miss Laura Engle to Mr. George W. Kelland, a son of Robert Kelland. The ceremony took place at high noon at the residence of the bride's father, Peter Engle, and was witnessed by about 50 guests. Following the ceremony a sumptuous dinner was served, and the bride and groom received the congratulations and gifts of their friends.
