Board of Directors and Clerk Present Annual Report to Taxpayers of Oregon City.

The attendance was light Monday night at the annual school meeting, which was held in the county court-room. Although 138 people mani-fested interest enough in the schools to go to the polls and vote for a di rector Modnay afternoon, not onetenth of that number were present to hear the report of the board of direct-ors on the condition of the schools, and to hear what had been done durting the past year and what was contemplated. The board of directors, Thomas F. Ryan, Geo. A. Harding, Charles H. Caufield, Charles Albright and W. E. Carll, submitted the following reports. lowing report:

Oregon City, Or., June 18, 1906. To the Taxpayers and Patrons of School District No. 62, County of Clakamas, State of Oregon.

Ladies and Gent emen: We hereby respectfully submit for your consideration the following report of matters in connection with the business of the District transacted during the fisca

year just ended.

It is with considerable plessure that we call your attention to the fact that during the year the outstanding in-debtedness has been reduced in the amount of \$1050, leaving our present liabilities \$13501 as against \$14556.85

one year ago.

During the year we put in new water closets at an epxense of 1186, 28 and planted the Eastham school build-

and plinted the Eastham school building at an expense of \$240.

Opening the schools as usual in September last, we found that the attendance was even larger than the previous year, but we were able to proceed without any extra teachers; towards the close of the year, through the removal from the city of many children, and the fact that very many children, and the fact that very many others were prevented from attend. Six per cent bonds due June

with the wishes of the taxpayers as expressed at said meeting, that an in-crease in the amount paid the teach-ers for their services shall be made when contracts are entered into for the next school year. The amount of such increase has not as yet been determined, but will be within the very

near future.

We are pleased to report that the Eastham school building is in very good condition, and will need but little repairs during the coming year.

In the Barclay building, it will be necessary to make a number of changes, such as putting in a back stairway, and also renewing the present front stairway, and the building requires re-shingling and painting it will be necessary to renew the furnaces. We are unable to report the cost of these repairs at this time, as

onr estimates are not complete.

The father grasped his boy, but both fell from the wagon and the wheels ran over the lad, breaking his leg in two places. The team then raced madly up the street, the wagon careening wildly from side to side, and when opposite the post-office, David Williams rushed out, and, after a frantic chase, succeeded in getting hold of the reins and stopping the infuriated animals in front of Huntley's. The hig smokestack fell into the street and this only served to frighten the horses still more. No sooner were the animals brought to a stop, then they again started to run, but were stopped. quested to Dispose of Accumulation of Rubbish.

Mayor E. G Canfield will in a few days issue a proclamation naming a "cleaning-up" day for Oregon City.

The time will probably be next week, and every effort will be made by the city authorities to persuade the residents and business men to remove all rubbish and unsightly substances from around their premises. Oregon City has great natural and scenic beauty that has been marred by carelessness and the absence of a place to dispose of the constant accumulation of rub-bish, but the council recently rented an old gravel-pit on the Albright pasback alleys.
