

NEWS OF THE COUNTY

STAFFORD.

Mrs. John Kraus, of Frogpond, was quite sick last week.

Sam Still is sick with Bright's disease.

There was no church Sunday night as the pastor had gone to Salem to attend the conference, but the horse shed sheltered a fine horse and buggy. The query is: "Who's was it?"

Mrs. Decker, a daughter of Mr. Barnes, has moved to Willamette. Her baby has been very sick.

Mr. Gage has been hauling oats to town; gets \$1.50 per hundred. He is making room for the new crop, which promises well at present. The outlook for hay is quite dubious, but the local weather bureau prophet says it will be fair now.

There is a little sign up in Oswego, "Potatoes Wanted," and there are about 1000 sacks in this community to fill the want.

L. Francis, who sold his place last winter, has bought the place where Mr. Condit lived, and it is rumored will bring a better half when he moves among us. We hope the rumor will prove true.

Skunks—not the little polecats—have been visiting almost every ranch.

Bad Stomach Makes Bad Blood.

You can not make sweet butter in a foul, unclean churn. The stomach serves as a churn in which to agitate, work up and disintegrate our food as it is being digested. If it be weak, sluggish and foul the result will be torpid, sluggish liver and bad, impure blood.

The ingredients of Dr. Pierce's Golden Medical Discovery are just such as best serve to correct and cure all such derangements. It is made up without a drop of alcohol in its composition; chemically pure, triple-refined glycerine being used instead of the commonly employed alcohol. Now this glycerine is of itself a valuable medicine, instead of a deleterious agent like alcohol, especially in the cure of weak stomach, dyspepsia and the various forms of indigestion. Prof. Finley Ellingwood, M. D., of Bennett Medical College, Chicago, says of it:

"In dyspepsia it serves an excellent purpose. It is one of the best manufactured products of the present time in its action upon entangled, disordered stomachs; especially if there is ulceration or catarrhal gastritis (catarrhal inflammation of stomach). It is a most efficient preparation. Glycerine will relieve many cases of pyrosis (heartburn) and excessive gastric acidity. It is useful in chronic intestinal dyspepsia, especially the fatulent variety, and in certain forms of chronic constipation, stimulating the secretory and excretory functions of the intestinal glands."

When combined, in just the right proportions, with Golden Seal root, Stone root, Black Cherry bark, Queen's root, Blood-root and Mandrake root, or the extracts of these, as in Dr. Pierce's Golden Medical Discovery, there can be no doubt of its great efficacy in the cure of all stomach, liver and intestinal disorders and derangements. These several ingredients have the strongest endorsement in all such cases of such eminent medical leaders as Prof. R. Bartholow, M. D., of Jefferson Medical College, Chicago; Prof. Hobart A. Hare, M. D., of Medical Department, University of Pa.; Prof. Laurence Johnson, M. D., Medical Department, University of New York; Prof. Edwin M. Hale, M. D., Hahnemann Medical College, Chicago; Prof. John M. Scudder, M. D., and Prof. John King, M. D., Authors of the American Dispensatory, and scores of others among the leading medical men of our land. Who can doubt the curative virtues of a medicine the ingredients of which have such a professional endorsement? Constipation cured by Doctor Pierce's Pleasant Pellets. One or two a dose.

PROSPERITY

Dates from the first dollar saved. Perhaps the best reason for saving money is, that practically nothing can be accomplished without it. You must have it to start you in business, to furnish your home, to educate your children, to protect you against sickness or misfortune, and to provide for you a comfortable, independent old age.

NEW ERA.

The farmers are taking advantage of this fine weather, cutting hay.

Lake Osto, of Milwaukie, passed through the city last Sunday.

Miss Heinz returned to her home in Portland Monday after a three weeks' visit with Miss Tona Gelbridge.

Mrs. Rose Cooper, of Portland, is visiting her parents, Mr. and Mrs. Stauber, on the farm.

Several from here attended the Sunday school picnic at Canby Tuesday.

President and Mrs. G. C. Love, of the Spiritualist association, arrived Monday and are making repairs and improvements on the camp ground, preparatory for the camp meeting, beginning July 7. Mr. and Mrs. R. A. Dague, refugees of the San Francisco quake, are also on the grounds.

get someone to mend this boiler, as it had sprung a leak, causing the mill to be shut down for a few days.

Mr. Mohlson, of New Era, is cutting telephone poles on Mr. Bahl's place, to be delivered at Parkplace.

The prospects for a good crop were never better. So far the grain is free of the aphid. For some unknown reason the hay crop will not be up to the average. Corn needs warm weather. It has made little growth the last few weeks.

Mrs. J. W. Lieser, of Sellwood, spent a few days with her parents last week.

LOGAN.

At the present writing it looks as though the weather has cleared up and economic determinism will be the

this year and the early ones are in bloom. Apples and pears are a very heavy crop and the fruit will have to be thinned out, or the trees will break down.

The dance Saturday night at Wright Springs was a good one. The music was good, with the new piano in the hall. All they lacked was more ladies. Boys, wake up and show your colors.

Captain Welch and Lieut. Randall were out to Liberal Monday and dined with Lieut. Fred H. Burns and wife.

Dee Wright passed by Wright's bridge Monday at noon with his telephone poles, two days ahead of time on the big drive. The river was high and he crowded them through. Well, by the way, Sunday a large crowd gathered on the bank of the river at W. Skein's place, to see the

"DO IT TO-DAY!"

"And to think that ten months ago I looked like this! I owe it to German Syrup."

The time-worn injunction, "Never put off 'til to-morrow what you can do to-day," is now generally presented in this form: "Do it to-day!" That is the terse advice we want to give you about that hacking cough or demoralizing cold with which you have been struggling for several days, perhaps weeks. Take some reliable remedy for it TO-DAY—and let that remedy be Dr. Boschee's German Syrup, which has been in use for over thirty-five years. A few doses of it will undoubtedly relieve your cough or cold, and its continued use for a few days will cure you completely. No matter how deep-seated your cough, even if dread consumption has attacked your lungs, German Syrup will surely effect a cure—as it has done before in thousands of apparently hopeless cases of lung trouble. day out near Mulino with W. Jones and family.

Clarence Sinclair came home last Sunday with a bride from Pendleton. They will live in West Oregon City.

Mrs. Nickels is having her house papered this week.

Mrs. Albright and children spent last Sunday among relatives at Midway, Portland.

P. D. Curran is cutting grass in Mr. Nickels' orchard this week.

Miss Nora Curran expects to start to Iowa soon, to visit relatives a few months.

NEW ERA.

A very pretty wedding took place Wednesday, June 6, at high noon at the home of the bride's parents, Mr. and Mrs. P. H. Engel, when their daughter, Laura Ellora and Mr. George Washington Kelland were united in marriage. Rev. P. K. Hammond officiated. The parlor was beautifully decorated with evergreens and pink and white roses. The bride and groom stood under an arch of Bride and Carrier roses. The bride was prettily gowned in blue silk, with all-over lace and applique and carried an arm bouquet of white carnations. The groom wore the conventional black. After the congratulations the guests, preceded by the newly married couple, repaired to the rose-adorned dining room to partake of an elaborate wedding breakfast. Rev. P. K. Hammond was the lucky one in getting the ring from the bride's cake, which he prized very highly, and Miss Grace Gere had the sad misfortune of getting the button. The bride's bouquet was caught by Miss Marie Engel and Tom Kelland. The bride and groom were recipients of many beautiful and useful presents.

Earl Lutz Takes a Plunge.

Earl Lutz had a narrow escape Monday afternoon, and was the victim of an involuntary bath in the icy waters of the Willamette. He was out in a canoe and made too sharp a turn, which caused the craft to capsize. George Miller was an eye witness to the mishap of Lutz, and hastily launching a boat, went to the rescue and picked up Lutz, who was hanging to the bottom of the canoe. Lutz was in no immediate danger, as he is a good swimmer.

Women as Well as Men Are Made Miserable by Kidney and Bladder Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased. Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh, or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose. Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of Swamp-Root is soon realized. It is sold by druggists, in fifty-cent and one-dollar size bottles. You may have a sample bottle by mail free, also a Home of Swamp-Root pamphlet telling all about Swamp-Root, including many of the thousands of testimonial letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

SHUBEL.

At the annual school meeting John Heft was re-elected director and R. Gunther clerk. The half-mill tax was voted down, even if the floor in the schoolhouse is very much in need of repair. Right here I would like to ask a question: The school law says the annual meeting shall be held at 4 or 1:30 p. m., I am not sure which. Now the question is: Is the business done at a meeting held after 9 o'clock at night legal?

Our school will close this week Friday, with an entertainment in the evening.
