DIED SUDDENLY OF HEART DISEASE.

How frequently does a head like similar to the above greet us in the newspapers. The rush, push and strenuousness of the American people has a strong tendency to lead up to valvular and other affections of the heart, attended by irregular action, palpitation, dizziness, smothered sensations and other distressing symptoms.

Three of the prominent ingredients of which Dr. Pierce's Golden Medical Discovery is made are recommended by some of the leading writers on Medical Medicine for the cure of just such cases. Golden Seal root, for instance, is said by the UNITED STATES DISPENSARY, a standard authority, "to impart tone and increased power to the heart's action." Numerous other leading authorities recommend Golden Seal as an unsurpassed tonic for the muscular system in general, and as the heart is almost wholly composed of muscular tissue, it naturally follows that it must be greatly strengthened by this superb, general tonic. But probably the most important ingredient of "Golden Medical Discovery," so far as its marvelous cures of valvular and other affections of the heart are concerned, is Stone root, or Collinsonia Can. Prof. Wm. F. Felt, author of Felt's Dictionary of Medicine, says of it:

"It not only cures a patient who was so much oppressed with valvular disease of the heart that his friends were obliged to carry him up-stairs, but he, however, gradually recovered under the influence of Collinsonia medicinal principle extracted from Stone root, and is now attending to his business. Therefore physicians know of no remedy for the removal of so distressing and so dangerous a malady. With them it was all system-work, and it fearfully warned them that death was near at hand. Collinsonia unquestionably affords relief in such cases, and in most instances effects a cure."

Stone root is also recommended by Drs. Hale and Ellingwood, of Chicago, for valvular and other diseases of the heart. The latter says: "It is a heart tonic of direct and permanent influence."

"Golden Medical Discovery," not only cures serious heart affections, but is a most efficient general tonic and invigorator, strengthening the stomach, invigorating the liver, regulating the bowels and curing all other ailments in all parts of the system.

Mr. and Mrs. Hale purchased a fine piano for their daughter Ethel last week.

Last Thursday, July 12, being the 79th birthday of Mrs. Diana Currin, a number of her friends and neighbors gathered at her home to surprise her and spend the day with her. Her oldest son, Mr. George Currin, took

per mines and his ranch in New Mexico to speak at this Chautauqua. He has just spoken at Ashland (and wire brought the word, "The greatest hit in our history.") Captain Jack comes in sombrero, long boots, and long hair, wearing the identical costume he wore in his scouting days.

Sam Jones calls Jack Crawford "a combination circus, wild west show, poet and preacher." As a public entertainer he is the most picturesque figure on the American platform. He speaks today, Thursday, to the banner crowd of the season, and tomorrow, Friday, afternoon.

Friday afternoon Evelyn Hurley gives contralto solos, and Friday, Saturday and Sunday, Dr. Charles Edward Locke, an old Chautauqua favorite comes with popular lectures. Dr. Locke helped found this Chautauqua in 1894, and when called from Portland has steadily risen until now he is pastor of the magnificent Hanson Place M. E. Church, Brooklyn, New York. Dr. Locke still retains all his interest in Oregon, and thousands are coming in these last days to hear the beloved Doctor who has grown great and famous with the years. His subjects are Friday, "A Pilgrimage to Shrines of American Heroism," Saturday, "When Scarcitons do not scare," and a sermon Sunday night.

Saturday is to be the biggest day of Chautauqua, with fireworks, baloon ascension and grand closing concert under the direction of Mr. W. Gifford Nash. With a trained chorus of 100 voices and 21 instruments. Among the singers will be Mrs. Rose Block Bauer, Mr. Dom Zan, Mr. Arthur Alexander and Mrs. Imogen Harding Brodie.

Attendance at Chautauqua has steadily increased until now the groves and halls are thronged with delighted auditors.

LET CONTRACTS FOR WOOD AND SUPPLIES.

Improvements Progressing On Barclay School Building.

Directors of the city schools held a meeting Monday night, and let the contract for fuel to E. E. Kellogg, whose bid was \$2.90 cents for first growth wood. The contract for

school supplies was awarded to Huntley Bros. Co., for \$149.90.

Mrs. Emilie Shaw, principal of the Eastham school, and Mrs. Viola Godfrey, principal of the Barclay school, will have charge of the selection of new books for the school library. From the county library tax, the city schools has received nearly \$125, which will be expended in new books.

Work on the improvements of the Barclay building is progressing with G. R. H. Miller in charge. New steps are being put in from the lower to the upper floor, and in the front and rear of the building outside. It is probable that new furnaces will be installed.

The board did not fill the two vacancies that exist in the corps of teachers and will hold a special meeting in the near future for this purpose.

A FAMOUS REMEDY

"I cured MY cough with German Syrup!"
"He wrote to Dr. G. G. Green."
"As true as I tell you, doctor dear, I'm feelin' finer than ever I've been!"

The poor consumptive should not be the victim of experiment, as he often is, but the moment the dread disease manifests its presence he should be given Bo-schee's German Syrup—a pure, non-alcoholic medicine that is made specially for the cure of consumption, and has a world-wide fame as a certain remedy for catarrh, colds, coughs, croup, sore throat and all bronchial affections in old and young. It is sold in all civilized countries, and has been famous as a consumption cure for almost half a century.

pany has sent a check for \$14 to Esther Mitchell, the slayer of her brother, George Mitchell, who killed the apostle of Holy Rollerism, "Joshua" Creffield. Esther worked for a short time in the woolen mills here and left without getting the money due her. Yesterday a letter was received asking that the money be sent in care of the Sheriff of King County. The girl's missive to the company was a crude specimen of penmanship and composition.

Weather Bulletin.

The feature of the week was the excessively high temperatures that prevailed up to Monday, when it turned cooler in the western counties, but continued warm east of the Cascade Mountains. There was "only one hot day in the coast counties, but elsewhere maximum temperatures of over 90 degrees were common and in a few localities maximum temperatures of over one hundred degrees occurred. No rain of consequence was reported, and that which fell was in the form of small showers, that were heaviest in the Cascade and Blue Mountains. Foggy nights and mornings prevailed in the coast counties. The winds were generally light and mostly from the northwest.

REID SPRAYS SPUDS.

Fruit Commissioner Will Make Thorough Experiments.

Commissioner J. H. Reid, of Milwaukie, commenced spraying potatoes on the farm of Charles Riskey at Oak Grove Monday. Spraying will also be done on the farm of Charles Cleveland at Gresham and later on farms at Canby and New Era. This is in accordance with an experiment undertaken under the direction of Professor A. B. Cordley, of the Oregon Agricultural College. Ten-acre tracts will be sprayed in rows at these places to demonstrate what results may be obtained from spraying. Some of the rows in the same patch will be sprayed once, twice and three times, and some rows will be left unsprayed. The experiment will be thorough and will demonstrate the real value of spraying. The object is to prevent potato blight and get a better crop. This will be the first experiment undertaken in this state on a large scale. Potatoes have been sprayed at Corbett's on the Columbia River and with good results.

Mrs. Bessie M. Pitman has instituted suit for a decree of divorce from James B. Pitman.

DO YOU GET UP WITH A LAME BACK?

Kidney Trouble Makes You Miserable.

Almost everybody who reads the newspapers is sure to know of the wonderful cures made by Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.

It is the great medical triumph of the nineteenth century; discovered after years of scientific research by Dr. Kilmer, the eminent kidney and bladder specialist, and is wonderfully successful in promptly curing lame back, uric acid, catarrh of the bladder and Bright's Disease, which is the worst form of kidney trouble.

Dr. Kilmer's Swamp-Root is not recommended for everything but if you have kidney, liver or bladder trouble it will be found just the remedy you need. It has been tested in so many ways, in hospital work and in private practice, and has proved so successful in every case that a special arrangement has been made by which all readers of this paper, who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root, and how to find out if you have kidney or bladder trouble. When writing mention reading this generous offer in this paper and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The regular fifty-cent and one-dollar size bottles are sold by all good druggists. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.
