Modest Claims Often Carry the Most Con-

victor.

When Maxim, the famous gun in-

ventor, placed his gun before a com-

mittee of judges, he stated its carry-

ing power to be much below what he

felt sure the gun would accomplish.

The result of the trial was therefore a

great surprise, instead of disappoint-

ment. It is the same with the manu-

facturers of Chamberlain's Colic,

Cholera and Diarrhoea Remedy. They

do not publicly boast of all this rem-

edy will accomplish, but prefer to let

the users make the statements. What

they do claim, is that it will positive-

ly cure diarrhoea, dysentery, pains in

the stomach and bowels and has never

been known to fail. For sale by Hunt-

ley Bros. Co., Oregon City and Mol-

alla.

Barnes-Ream.

The marriage of Perry Barnes to Miss Ella Ream was solemnized at noon Wednesday at the home of the bride, Rev. E. S. Bollinger, officiating. The house was beautifully decorated and the ceremony took place under an arch of Oregon Grapes and white carnations. Miss Nora Ream was the maid of honor and Oscar Ream was the best man. Prof. J. Betzel played the wedding march from "Lohengrin." About fifty guests composed of the immediate friends and relatives of the bride, were present and after the ceremony a sumptuous dinner was served. Mr. and Mrs. Barnes were recipients of many handsome presents. They will make their home at Willamette.

A Tragic Death.

A watchman's neglect permitted a leak in the great North Sea dyke, which a child's finger could have stopped, to become a ruinous break, devastating an entire province of Holland. In like manner Kenneth McIver, of Vanceboro, Me., permitted a little cold to go unnoticed until a tragic finish was only averted by Dr. King's New Discovery. He writes: "Three doctors gave me up to die of lung inflammation, caused by a neglected cold; but Dr. King's New Discovery saved my life." Guaranteed best cough and cold cure at Howell & Jones' drugstore. 50c and \$1. Trial bottle free.
