PICNIC OF FIREMEN.

Volunteers Have Enjoyable Day in Canemah Park.

The first great picnic of the volunteer firemen of this city was pulled off Sunday without a hitch, and every company was well represented. The day was ideal for open air events and the shady spots in Canemah Park were all occupied. The morning train from the south brought in the Aurora Band, which kindly proffered its music for the occasion, and after a few pleasing selections, Sam Stowe who acted as president of the day, made the announcements for the picnic, and short speeches of good cheer and sound fellowship were made by Former Chiefs Thos. F. Ryan and Fred Miller, Chief E. L. McFarland and Howard Latourette.

Chief L. O. Moore directed the barbecue of 200 pounds of choice beef that was done to a turn and the grounds were thrown open to the public for the athletic sports, which were won by the following named firemen:

100-yard dash—Frank Schoenborn, first; Charles Hamilton, second; Charles Ely, third.

Three-legged race—William Peters and Joe Beaulieu, first; Cannon and Burns, second; Hatniford and Albright third.

50-yard dash for married men—Don Meldrum, first; "Red" Williams, second; Joe Beaulieu, third.

Fat men's race—Sam Stowe, first; M. P. Chapman, second; Mike Gross, third.

50-yard dash for single men—Frank Schoenborn, first; Charles Hamilton, second; Roy Woodard, third.

The tug-of-war was won by an aggregation composed of a team from the Main street hose companies, who pulled against the hill companies, and the baseball game, which was witnessed by the largest crowd that ever gathered on the grounds for that purpose, was a gleeful succession of errors, Ely's team winning from Boylan's team.

MRS. CURRIN'S 79th BIRTHDAY.

"Aunt Diona" Honored at Her Home in Currinsville.

The 79th birthday of Diona Currin, the oldest settler in Clackamas County was celebrated July 12 at Currinsville, Or. The date has recalled to the minds of the old settlers of that vicinity the times of 60 years ago when those who crossed the Rocky Mountains in a wearisome journey of eight long months, reached the land of promise, where, with axe and ox-team, the foundation was made for the towns that adorn the beautiful Clackamas Valley. Mrs. Currin who is familiarly known as "Aunt Diona Currin", was born in 1827 in Indiana, moved to Currinsville in 1847, where she was married in '49 to Hugh Currin, a resident since '45. "Aunt Diona" was completely surprised, on

Indigestion causes the stomach to expand—swell, and puff up against the heart. This crowds the heart and interferes with its action, and in the course of time the heart becomes diseased.

GRANGE WANTS NEW DIVISION.

Recommend Sixty Representative Districts in Oregon.

Clackamas County Pomona Grange has gone on record as favoring the resolution passed by the Oregon State Grange, proposing that the state be divided into 60 representative districts and that one representative be elected to the lower branch of the state legislature from each district. The district grange met last week in Molalla, and passed the following resolution relative to the salaries of federal officials, taking a stand against an increase:

Whereas, it is declared in our declaration of purposes that we are opposed to all extravagances in the administration of the affairs of Government and the payment of salaries to public officials in excess of a reasonable compensation for services rendered, and we believe the salaries now paid the President, Vice-President and members of the Cabinet, Supreme Judges, Senators and Representatives in Congress are amply sufficient. Resolved, that we disapprove of the move in the recent Congress to in-

crease the salaries of these officers, and believe that any further increase would not only add new and unnecessary burdens on the people, but have a tendency to increase the now unseemly scramble for office and to tend to the demoralization of the public service, and

Resolved, that a copy of this resolution be sent by the worthy secretary to our Representatives in Congress.
