INDIGESTION'S RECORD

"The best remedy I can prescribe for your indigestion, madam, is Green's August Flower. I know of several other physicians who prescribe it regularly."

Indigestion is making an awful record as a cause of sudden deaths. It is beating heart-failure in its ghastly harvest.

You read in the papers daily of apparently healthy and even robust men being suddenly attacked with acute indigestion after enjoying a hearty meal, and of their dying in many cases before a physician could be called in.

This should be a warning to you who suffer with regular or periodical attacks of indigestion. If these unfortunate victims of acute indigestion had taken a small dose of Green's August Flower before or after their meals they would not have fallen a prey to such sudden seizures.

August Flower prevents indigestion by creating good digestion. It also regulates the liver, purifies the blood and tones up the entire system in a natural way.

Women as Well as Men Are Made Miserable by Kidney and Bladder Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh, or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of Swamp-Root is soon realized. It is sold by druggists, in fifty-cent and one-dollar size bottles. You may have a sample bottle by mail free, also a Home of Swamp-Root pamphlet telling all about Swamp-Root, including many of the thousands of testimonial letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.
