

### Why Vinol Is Better Than Any Other Remedy to Restore Health and Strength

**Because Vinol is a real Cod Liver Preparation and does not contain a single disagreeable or harmful ingredient and is not a secret formula.**

**Because Vinol contains all the medicinal elements—the soothing, healing, strengthening and flesh creative properties of Cod Liver Oil—but without oil or grease.**

**Because everything in Vinol,—except the tonic iron and a fine old wine,—is actually extracted from fresh cods' livers and their oil.**

**Because Vinol is deliciously palatable and agreeable under all conditions. Everybody likes it.**

**Because Vinol tones up the system, strengthens every organ, nerve, muscle and fibre of the whole body and thus overcomes weakness by thoroughly eradicating the cause of disease.**

**That's Why Vinol is altogether different and better than any other remedy for Coughs, Colds, Bronchitis, and all Throat, Lung and Wasting Diseases.**

**That's Why Vinol Restores Health and Strength to Delicate Children, Feeble Old People, Weak and Sickly Persons, Nursing Mothers, and Convalescents.**

## CREAMERY IS IN PROSPECT

People of Clarks and Vicinity Will Meet Saturday to Discuss Project.

The people living in the vicinity of Clarks and Highland are enthusiastic over the proposition to establish a creamery and a general meeting of the stockholders will be held next Saturday afternoon at 1 o'clock in the Grange Hall for the purpose of incorporating, accepting a site, and deciding upon the plan for the enterprise. Rev. W. H. Wettlaufer, J. Schram, B. Sullivan, Sam Elmer, E. Grossmuller, H. Botteniller and Henry Kleinsmith are the members of a committee that has appointed several weeks ago to arrange the preliminaries for the establishment of the creamery and they met October 13 and drew up temporary bylaws and determined to recommend a site on Rock Creek for the location of the creamery. More than \$1000 has already been subscribed and it is probable that \$1500 will be in sight by the time Saturday's meeting is held. The creamery project is a good one and there is room in Clackamas county for many of them.

### LOGAN.

J. C. Kirchem and sons have returned from a successful hunting trip to Roaring River. S. G. Kirchem was the champion Nimrod and has four notches to his credit.

Fred Moser, Sr. and Jr., Fred Brown and T. W. Foster have gone to the mountains to try their skill in securing game.

Paul M. Kirchem has returned from the harvest fields of Palouse and Big Bend. He reports light yields of shrivelled wheat on account of hot winds and that the Big Bend country was full of men, contrary to former reports.

The many friends of Fred W. Riehoff and wife gave them a pleasant surprise party on October 12. Dancing was the order of the night and was kept up until the small hours.

The first evening meeting of Harding Grange on the 20th was well attended and much enthusiasm was manifested. A good program was given and plans were laid to do some earnest work towards securing the state prizes. Miss Ritter is teaching again in the Upper Logan school.

The Lower Logan school has commenced with two teachers, Mrs. Johnson and Miss Brown.

Henry Babler and Edwin, Samuel and Louis Gerber returned from Alaska on the 21st, having completed the season's work in the salmon cannery.

We note that a certain man is negotiating for property to start a theatre on but he thinks land is too high in Oregon City. Let us earnestly hope that property will remain out of reach for the kind of theatre we could expect.

Mrs. Ellen Gerber and daughter Nieta made a trip to Corvallis recently.

### Mckenzie-Dedman.

At the home of the bride's mother, Mrs. E. S. Dodman, at Clackamas, Sunday afternoon at 2 o'clock, Miss Nauna Dodman and Jacob McKenzie were united in marriage, Rev. W. B. Moore, pastor of the Clackamas Methodist Church officiating. Mrs. Will Dedman played the wedding march and sang "The Answer." The ceremony was witnessed by about 30 relatives and friends and was followed with a wedding breakfast. The dining room was artistically done in red, and the parlors were decorated in white and green. Miss Jessie Paddock caught the bride's bouquet. Mr. and Mrs. McKenzie will reside in Portland, where he is employed in the Meier & Frank Company.

### ELWOOD.

We have had plenty of rain and now have bright sunshine, which enables farmers to plow and put in their fall crops.

C. E. Surfus and Matt Dibble have gone to the mountains for a few days' hunt.

Mrs. Della Gottberg has gone to Vancouver to visit her cousin, Morton Park and family.

Miss Zella Surfus is teaching the Timber Grove, school where she taught last Summer.

A. S. Henderson and Adolph Freeman are down in the Springwater canyon, preparing the rock for Mr. Freeman's fireplace to be placed in his new house.

Edward Dibble is still on the sick list.

We had our first hard frost October 19.

The farmers have found their potato crop rather light.

The Elwood school is progressing nicely under the control of Miss Reta E. Joseph. All of the children have not yet enrolled.

Elder Landy held quarterly meeting at the Mountain Home U. B. Church on October 13 and 14. He preached very acceptably and made many friends.

### WORK WEAKENS THE KIDNEYS.

Doan's Kidney Pills Have Done Great Service for People Who Work in Oregon City

Most Oregon City people work every day in some strained, unnatural position—bending constantly over a desk—riding on jolting wagons or cars—doing laborious house work; lifting, reaching or pulling, or trying the back in a hundred and one other ways. All these strains tend to wear, weaken and injure the kidneys until they fall behind in their work of filtering the poisons from the blood. Doan's Kidney Pills cure sick kidneys, put new strength in bad backs. Oregon City cures prove it.

Theodore Haerth, carpenter, living on Park Place, about two miles from Oregon City, Ore., says: "I found Doan's Kidney Pills do just what is claimed for them. For a long time I suffered a good deal with lameness and aching over the kidneys and irregularity of the action of the kidneys. The trouble was not severe enough to lay me up but was very annoying and made it difficult for me to stoop or lift anything without my back aching. I was induced to try Doan's Kidney Pills from the recommendation of a friend, and went to Huntley Bros. drug store for them. Their use absolutely removed the trouble with the kidneys, strengthened my back and in every way proved your remedy to be worthy of all confidence."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

### High School to Publish Paper.

The pupils of the Oregon City High School have decided to publish a monthly paper, and expect to issue the first number in about two weeks. The editorial and business management of the publication will be in the hands of the following students: William Jackson, editor-in-chief; Allie Groat, business manager; and Oudin Roberts, advertising manager. The enrollment in the High School has reached 54.

### An Awful Cough Cured.

"Two years ago our little girl had a touch of pneumonia, which left her an awful cough. She had spells of coughing, just like one with the whooping cough, and some thought she would not get well at all. We got a bottle of Chamberlain's Cough Remedy, which acted like a charm. She stopped coughing and got stout and fat," writes Mrs. Ora Bussard, Brubaker, Ill. This remedy is for sale by Huntley Bros. Co., Oregon City and Molalla.

### New Members For L. A. U.
