MUSICAL EVENT TONIGHT. Program Will be Given in First Baptist Church This Friday. The Young People's Society of the First Baptist church are congratulating themselves in having secured Miss Benson, pianist of Portland to arrange a program for them, to be given at the church Friday eve, Jan. 18. Miss Benson has been fortunate in securing the co-operation of Mr. W. H. Boyer, director of the choir of the Taylor street M. E. church of Portland in rendering the carefully selected numbers. Miss Benson is truly an artist at the piano, her skill in execution and rare interpretation of her favorite composers always winning the merited praise of her audiences. Mr. Boyer brings a quartet with him, consisting of the following well known singers: Miss Edna Bennet, soprano; Miss Jennie McConnell, contralto; Mr. Chas. Cutter, baritone; Mr. W. H. Boyer, tenor. Miss Bennet has held the position of solo soprano at the Taylor street M. E. church and the Grace M. E. church, and during one winter sang with the Savage Grand Opera Co. She has a fine voice of great range and power, which together with a most attractive personality, makes her one of the most popular of Portland's younger singers. Miss Jessie McConnell is a charming contralto who has during the last year done remarkably fine work on several occasions, notably in the rendering of Verdi's Requiem Mass, when she delighted her audience with the depth and richness of her voice. Mr. Chas. Cutter needs no introduction to Oregon City music lovers, his romantic story being well known here. An Alaskan Indian, he was playing the cornet in the band of the Chemawa school, when he first attracted the attention of Mr. Boyer. This was five years ago, and now there is not a finer baritone singer in Portland. He expects soon to make his debut on the operatic stage, it being the opinion of competent judges that a great career as a singer of grand opera awaits him. He will sing the famous "Toreador Song from Carmen, as well as other numbers. Quartet work will be an especial feature of the evening. The quartet from "Rigoletto" will be sung—"When Song is Sweet," by San Souci and selections from DeKoven's well known opera "Robin Hood." NIGHTS OF UNREST. No Sleep, No Rest, No Peace for the Sufferer from Kidney Troubles. No peace for the kidney sufferer—Pain and distress from morn to night. Get up with a lame back. Twinges of backache bother you all day. Dull aching breaks your rest at night. Urinary disorders add to your misery. Get at the cause—cure the kidneys. Doan's Kidney Pills will work the cure. They're for the kidneys only—Have made great cures in Oregon City. E. Warner, living in Elyville Village, near Oregon City, Ore., says: "I had kidney trouble until it ran into diabetes. I had backache day and night and had to get up nearly every hour of the night to urinate. I procured a box of Doan's Kidney Pills at Huntley Bros.' drug store in Oregon City. In about a week after commencing to take the pills I could sleep the entire night without unusual disturbance. All pain and other annoying symptoms had ceased and I stopped taking the Pills. I had a slight recurrence of the trouble after a few weeks, but on using Doan's Kidney Pills again the relief was immediate." For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

FIREMEN'S ELECTION COMING. Interest Has Centered in Candidates For Chief of Department. Firemen's election comes on Monday, March 4, the anniversary of inauguration day, and the laddies who fight gallantly through smoke and water are already commencing to talk of the candidates for chief of the fire department to succeed E. L. McFarland who has served the department faithfully and well. Columbia Hook & Ladder company has already placed a man in the field in the person of Del Hart, and Hill Hose Company No. 3 is contemplating the nomination of "Billy" Wilson, who is one of the bravest of the fire fighters and was once an unsuccessful candidate for the position. Mr. Wilson's adherents believe it is high time Hose Co. No. 3 obtained recognition. Fountain Hose Company has not yet made a nomination, but probably will, as it has been several years since this company was honored with the election of one of its members. Lawrence Ruonich and Chris Hartman, both of whom have held the position, have been mentioned. Mr. Hartman received the nomination last year but McFarland carried off the toga. J. A. McGlashan is another member of the Fountain who is a good fireman that made an unsuccessful race two years ago against Frank McGinnis of the Hooks. The story is abroad that the Hook & Ladder Company and the Cataract Hose Company have entered into an unholy alliance for the election of the Hook's candidate, but the firemen deny the story. It is well known, however, that last year the Hook and Ladder boys stayed out of the race and made the election of Chief McFarland possible, with the understanding that no candidate would be put in the field this year by the company down by the woolen mills, between whose members and the Fountains there is a sharp rivalry. True to this agreement the Cataract Hose Company has not placed a man in the contest, and its strength will do doubt be divided. There is an assistant chief and three commissioners to be elected this year, but it is not likely there will be a contest for these offices. The position of Chief of the fire department has a salary of \$10 a month and to this there is unmeasured glory attached. I. O. O. F. Installation. Oregon Lodge No. 3, Independent Order of Odd Fellows, held its installation Thursday night and the ceremonies were conducted by District Deputy Adam H. Knight of Canby. The officers installed were: C. A. Nash, noble grand; Harry M. Shaw, vice grand; E. J. Noble, recording secretary; H. W. Trembath, financial secretary; Thos. F. Ryan, treasurer; J. J. Cooke, R. S. N. G.; W. A. Hedges, L. S. N. G.; Robert Brown, R. S. V. G.; F. L. Oswald, L. S. V. G.; D. C. Ely, warden; W. C. Crawford, conductor; E. W. Scott, R. S. S.; J. L. Waldron, L. S. S.; S. F. Scripture, chaplain; Henry Lowe, inside guard.

Religious Mania Affects Her. Constable Evans of Canby Friday morning brought down Christine Infaney who was committed to the insane asylum. The patient came to Canby Wednesday night from Mt. Angel and said she had friends in San Francisco, but telegraphic inquiry to those people brought forth a denial of any knowledge of the woman, who is afflicted with a religious mania. MISS MELDRUM RESIGNS. New Rule Made For Mid-Year Examination in City Schools. Into the hands of City Superintendent McKee has been placed the choosing of a successor to Miss Eva S. Meldrum, who placed her resignation in the hands of the Board of Directors Monday night. Miss Meldrum has been a teacher in the city schools for several years and is now instructing the second grade in the Eastham building, but she has been offered a position in Miss Barker's school at Palo Alto, Cal. While her contract with the local board does not expire until the end of the school year next June, the Board will allow her to go, providing they can fill the vacancy. Miss

teacher of the primary grades in the Weston state normal school. Work in the city schools is progressing favorably and mid-year examinations will be held in a few weeks. The rule in relation to these examinations has been changed and hereafter there will be examinations both in the mornings and afternoons and they will not commence until the last week of the term. It has been the custom to commence the examinations two weeks before the close of the term and give only one branch in the morning, dismissing the pupils in the afternoon. The new ruling will save time and will enable the students to do one week more of regular school work.
