Why Vinol Is Better Than Any Other Remedy to Restore

Health and Strength

Because Vinol is a real Cod Liver Preparation and does not contain a single disagreeable or harmful ingredient and is not a secret formula,

Because Vinol contains all the medicinal elements—the soothing, healing, strengthening and flesh creative properties of Cod Liver Oil - but without oil or grease.

Because everything in Vinol,-except the tonic iron and a fine old wine, - is actually extracted from fresh cods' livers

Because Vinol is deliciously palatable and agreeable under all conditions. Everybody likes it.

Because Vinol tones up the system, strengthens every organ, nerve, muscle and fibre of the whole body and thus overcomes weakness by thoroughly eradicating the cause of disease.

That's Why Vinol is altogether different and better than any other remedy for Coughs, Colds, Bronchitis, and all Throat, Lung and Wasting Diseases.

That's Why Vinol Restores Health and Strength to Delicate Children, Feeble Old People, Weak and Sickly Persons, Nursing Mothers, and Convalescents.
