Attractions Booked for Presentation at Shively's Opera House.

Sadle Raymond and a strong supporting company will present "The Missouri Girl" at Shively's opera house Monday, Feb. 25. Miss Raymond is a bright little actress of unusual merit and has done a great deal towards making "The Missouri Girl" the popular play it is today. She stands without a rival as a character soubrette, possessing a fine singing

voice, good looks and charming manner that have won for her an enviable vanced by the resident exponents of reputation among theater-goers. Her corporate interests. ers are coming in rapidly. They are largely genuine home seekers and not bent on a mere tour of inspection. The healthy growth of the country demands that these new-comers be located as often as possible on agricultural lands. We need especially development of these lands. If we build up the agricultural community the city will follow as a natural sequence

So it is in order for all persons in terested in the substantial development of the state to urge all new comers to pursue the course best both for themselves and for the community. That is not to seek employment where support will be dependent on the whim of the financial world, but to secure a productive tract of land and place it in a productive condition. So situated every man is a king. He is dependent on no one.

Let none of us forget that every individual of a community is benefitted by the addition of new citizens of worth and enterprise. No man is a kingdom unto himself but we are social creatures, dependent one on another. Our wants are best served by serving, each the wants of the oth-
