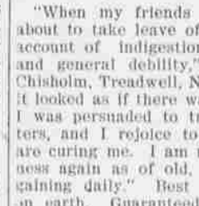
Thousands Have Kidney Trouble and Never Suspect it.

How To Find Out.

Fill a bottle or common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also convincing proof that the kidneys and bladder are out of order.



What To Do.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of **Swamp-Root** is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in fifty-cent and one-dollar sizes.

You may have a sample bottle and a book that tells all about it, both sent free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention this paper and don't make any mistake, but remember the name, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y.

"An' as true as I tell you, doctor dear,
I'm feelin' finer than ever I've been!"

Two letters uncalled for in Barlow P. O., as follows: Mrs. Harry Christian, Mr. Frank Fruit.

Mix This At Home.

The following simple home-made mixture is said to readily relieve and overcome any form of Rheumatism by forcing the Kidneys to filter from the blood and system all the uric acid and poisonous waste matter, relieving at once such symptoms as backache, weak kidneys and bladder and blood diseases.

Try it, as it doesn't cost much to make, and is said to be absolutely harmless to the stomach.

Get the following harmless ingredients from any good pharmacy: Fluid Extract Dandelion, one-half ounce; Compound Syrup Sarsaparilla, three ounces. Mix by shaking well in a bottle, and take a teaspoonful after each meal and again at bedtime.

This simple mixture is said to give prompt relief, and there are very few cases of Rheumatism and Kidney troubles it will fail to cure permanently.

These are all harmless, every-day drugs, and your druggist should keep them in the prescription department; if not, have him order them from the wholesale drug houses for you, rather than fail to use this, if you are afflicted.

The city council next meeting will elect a successor to Councilman J. N. Harrington, of Ward Three. Mr. Harrington resigned a few days ago and J. Betzel and W. H. Godfrey are mentioned for the position.

GEORGE W. DIXON — Dealer in CLACKAMAS COUNTY FARMS

Did you ever stop to think that you may be cheating yourself by your failure to list your property with an agency that can sell it? I do not ask for an exclusive right, and you can let any other agent in the county have the same chance to sell it that I have, or reserve the right to sell it yourself. Isn't this fair? I think so. Now get busy and send me description, price and terms.
