The occasion was an exceedingly happy one, and was enjoyed by all participating. The Band returned to Milwaukee on the 10 o'clock car.

New Bridge Over Butte Creek.

Judge Dimick Friday made a visit of inspection to Jack's bridge, spanning Butte Creek, where the county line is located between Clackamas and Marion Counties. The bridge is in a bad condition and will have to be rebuilt, but will be located about 200 feet farther up the stream. It was constructed about 34 years ago, and has stood remarkably well. The frame work is solid with the exception of the cords. The new location, with a span of 100 feet will cut off the curve in the road. The bridge is maintained by both counties.

(INCORPORATED 1904)

Membership fee is \$1, 25 cents on \$100—in class No. 1, and 50 cents in class No. 2—gives you insurance for 5 years, subject to such assessments as may be necessary to pay losses as they may occur.
