

NEWS OF THE COUNTY

Parkplace.

Miss C. Aratha Cutter returned to Parkplace Monday evening and is spending her vacation with Mrs. W. A. Holmes. Miss Cutter expects to teach in the Currinsville school another year.

Last Friday evening twenty-eight of the P. P. teachers, high school students and other young people went for a hay-rack ride to Clear Creek up the Clackamas river. They built a camp fire and cooked their supper. If you have any doubts of their having a good time, just ask the boys and hear what they will tell you about it.

Mrs. W. Church of Portland, daughter of Mr. and Mrs. W. F. Rauch of Gladstone, has so much improved after her long and serious illness, as to be able to see her friends again.

Mrs. W. W. Smith spent Sunday with her daughter, Mrs. Paul Freytag of Portland.

Mrs. Kenworthy and daughter, Miss Maud, are guests of Mrs. George Hamilton. Miss Kenworthy has been attending the University of California the last year and is here on her vacation.

The commencement exercises of the Parkplace high school will be held Wednesday evening, June 5th in the Auditorium.

Oswego.

The Bunkerhill baseball team was shut out at Oswego Sunday by the Oswego team. The score was 11 to 0. The Oswego team batted Alexander out of the box in the second inning and he was replaced by Crosby, who kept his hits scattered. Kiser again distinguished himself by striking out 12 men. C. Holmes made a home run in the first inning.

A sad accident occurred here Tuesday. L. E. Evans was fatally injured by the falling of an old building which he was repairing and died in less than an hour after the accident. He leaves a wife and family to mourn his loss. There are two more buildings going up in old town, one by G. H. Pettigrew and one by Chas. Horseman.

Geo. Knight and his house wired for electricity last week.

Mr. and Mrs. Bates attended Grange at New Era last Saturday.

Dover.

Friday, May 24, was quite an eventful day in Dover. It was the closing day of a very successful eighth months school taught by Prof. Winfield Emmel, of Farmington, Washington County. A little before twelve o'clock the parents and patrons of the school rushed into the school house with well filled baskets; this was such a surprise to the teacher that he immediately dismissed for the noon hour and all were soon partaking of a bountiful lunch. The afternoon was taken up with a well prepared program by the school, at the close of which the scholars presented their teacher with a nice fountain pen. Then the chairman of the board of directors made a few fitting remarks in the way of commendation of the term of school just closed. Prof. Emmel had so won the hearts of his pupils that there was much shedding of tears as the children began to realize that school was out and they would soon be separated from their teacher.

Thousands Have Kidney Trouble and Never Suspect It.

How to Find Out.

Fill a bottle or common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also convincing proof that the kidneys and bladder are out of order.

What to Do.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in fifty-cent and one-dollar sizes.

You may have a sample bottle and a book that tells all about it, both sent free by mail. Address Dr. Kilmer & Co., Bing-

hamton, N. Y. When Home of Swamp-Root, writing mention this paper and don't make any mistake, but remember the name, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y.

Did you ever stop to think that you may be cheating yourself by your failure to list your property with an agency that can sell it? I do not ask for an exclusive right, and you can let any other agent in the county have the same chance to sell it that I have, or reserve the right to sell it yourself. Isn't this fair? I think so. Now get busy and send me description, price and terms.

CHAMPIONS

THE CHAMPION MOWER
The Celebrated Draw Cut Machine

Champions
in the
Meadow
and
Grain Fields

Not mere Champion in name, but Champion in fact. The draw bar draws the bar—no push. It increases the tendency of the machine to stick to the ground, giving more traction and more cutting power. You can prove it in this way. Drive the bar of a Champion Draw Cut into a post or tree—it will pull the wheels into the ground. Give a push cut mower the same test, it will have a tendency to lift the wheels from the ground. When the wheels are off the ground they can't leave the knife, hence everything that tends to lift the wheels from the ground, tends to decrease the cutting power of the machine and makes it more liable to choke. The Champion is the strongest, most powerful and cleanest cutter in the trade.
