FIRE AT PARKPLACE. Barn Burns and Blaze Creates Great the heart of Gladstone Park and had Excitement Here.

Bells at Oregon City and Parkplace clanged wildly and flery tongues of presence of a tramp in the barn, and flame shot forth into the sky at an if the latter supposition is true, the clanged wildly and flery tongues of early hours yesterday morning, arous-ing paperle from their bads. Officer in smoke. Luckily the cattle and ing people from their beds. Officer E. L. Shaw was the man who created the furor, and he only did what the barn consisted of a buggy and was his duty. The result of the harness and several tons of hay. spectacular fire was the total destruc-tion of the big red barn near the St.

Agnes Home at Parkplace, The fire broke out at 1 o'clock just after the departure of the owl car for Milwaukie. Officer Shaw saw the blaze, and not realizing that it was so far beyond the limits of the city, turned in the alarm, and in a few minutes people began to pour in the direction of Green Point. The fire was deceptive and the general impulsive and the general impulsive at the state of the school. The stage presented well.

The First Requisite of Beauty.

The first requisite of beauty is a clear complexion. Orino Laxative Fruit Syrup clears a sallow blotched complexion as it stimulates the liver and bowels, and the eyes become bright and clear. You owe it to your friends to take it if your complexion is bad. Orino Laxative Fruit Syrup does not nauseate or gripe and is very plesant to take. Refuse substitutes. Howell & Jones, druggists.

RASPBERRIES IN MARKET.

Prospects for Good Crops Were Never Brighter in County.

Farmers throughout the county are now confident of a large crop since the recent rain, and wheat in many sections this year promises to be an excellent crop, and the aphis, which the farmer had so much to deal with last year has not yet made its appearance on the wheat. Mr. Nick Rath of George, who is an extensive farmer of that part of the county. says that the prospects of a good crop in his neighborhood were never brighter, that the aphis was killed by the late fall winds. Last year Mr. Rath says that a great deal of his wheat was covered with the aphis, which prevented the wheat from heading, and causing a big loss to many of the farmers throughout the county. Mr. Rath says that the rains Chamberlain's Colle, Cholera and Chamberlain's Colle, Chamberlain's Chamberla of last Saturday, which lasted through a sore that resisted every kind of treatment, until I tried Bucklen's Ar-nica Salve; that has healed the sore in excellent condition, although the season was late.
