FOSTERS MARRIED AGAIN.

After Raising Six Children in 18 Years Couple Were Separated. D. V. Foster and Mrs. Bertha W. Foster were made happy Friday...

"Well," said Mr. Foster, "she lived with me for 18 years, and is the mother of six children, and she is 38 years of age, and is just down here from Eastern Oregon to marry me and not a soul in this town knows her."

THE MASK OF HEALTH.

Few People Are Really as Well as They Look. Cause and Remedy.

Many people in Oregon City, both men and women, who believe themselves to be in perfect health, are often in the greatest danger.

The most common cause of ill health is indigestion, with a myriad of symptoms such as headache, sleeplessness, specks before the eyes, pains in the back and side, distress after eating, etc.

In the last few years the success of physicians everywhere with Mion stomach tablets has made them known far and wide as the acknowledged specific for the treatment of stomach diseases.

LITTLE POCKET PHYSICIAN. Hyomei is Guaranteed by Huntley Bros. Co. To Cure Catarrh. Thousands who have been cured by Hy-o-mei call the inhaler that comes with every outfit the "Little Pocket Physician" as it is so small that it can be carried in the pocket or purse.

There is really no excuse whatever for anyone having catarrh now that Hy-o-mei is so readily obtainable. If you have any doubt about its value, Huntley Bros. Co. will let you have a complete outfit, with the understanding that unless it cures catarrh, it will not cost you a cent.

The complete Hy-o-mei outfit consists of the "Little Pocket Physician" and a bottle of Hy-o-mei and costs only \$1.00, making it the most economical as well as the only guaranteed treatment for the cure of catarrh. Remember that Hy-o-mei cures catarrh without stomach dosing, applying the medication and healing where the disease germs are present.

Working on Home Phones. The Home Telephone Company started work Monday with a gang of splitters and this week will occupy about two weeks, and when complete the wires will be tested and telephones installed. All of the apparatus is now on the ground and the work of installation will be rushed to a completion with all possible speed.

The Knock-out Blow. The blow which knocked out Corbett was a revelation to the prize fighters. From the earliest days of the ring the knock-out blow was aimed for the jaw, the temple or the jugular vein. Stomach punches were thrown in to worry and weary the fighter, but if a scientific man had told one of the old fighters that the most vulnerable spot was the region of the stomach, he'd have laughed at him for an ignoramus. Dr. Pierce is bringing hope to the public a parallel fact; that the stomach is the most vulnerable organ out of the prize ring as well as in it. We protect our heads, throats, feet and lungs, but the stomach we are utterly indifferent to, until disease finds the solar plexus and knocks us out. Make your stomach sound and strong by the use of Dr. Pierce's Golden Medical Discovery and you protect yourself in your most vulnerable spot. "Golden Medical Discovery" cures "weak stomach," indigestion, or dyspepsia, torpid liver, bad, thin and impure blood and other diseases of the organs of digestion and nutrition.

The "Golden Medical Discovery" has a specific curative effect upon all mucous surfaces and hence cures catarrh, no matter where located or what stage it has reached. In Nasal Catarrh it is well to cleanse the passages with Dr. Sage's Catarrh Remedy fluid while using the "Discovery" as a constitutional remedy. Why the "Golden Medical Discovery" cures catarrhal diseases, as of the stomach, bowels, bladder and other pelvic organs will be plain to you if you will read a booklet of extracts from the writings of eminent medical authorities, endorsing its ingredients and explaining their curative properties. It is mailed free on request. Address Dr. R. V. Pierce, Buffalo, N. Y. This booklet gives the ingredients entering into Dr. Pierce's medicines from which it will be seen that they contain not a drop of alcohol, pure, triple-refined glycerine being used instead. Dr. Pierce's great thousand-page illustrated Exposition Medical Dictionary will be sent free, paper-bound, for 21 one-cent stamps, or cloth-bound for 51 stamps. Address Dr. Pierce as above.

BUILDING NEARING COMPLETION

Approach of Rainy Season Causes Contractors to Hustle Along. With the approach of the rainy season, building operations are being rushed to completion as fast as possible. The site of the new Masonic Temple is a busy scene, with a large force of men making every effort to have the exterior construction done during the fair weather. This building has been delayed and will not be ready for occupancy as soon as expected, but no time will be lost in getting ready for the tenants, some of whom are anxious to move early this fall.

The new store of Frank Busch on Main street near Eleventh is nearly ready, the huge plate glass windows having been placed in this week. Mr. Busch's large stock of furniture will have ample room in this new building and he will move in a very few weeks.

The new Dr. John McLaughlin Institute is nearly ready, and school will be in session there on schedule time next Monday morning. The building is a handsome one and will be an ornament to Oregon City. Close by is the Baptist Church, upon which \$2500 will be expended for improvements this Fall.

LIVELY SCRAP AT JUSTIN'S. William Meyers and an Austrian Boarder Come to Blows. The residence of Mat Justin was the scene of a lively fight Thursday night and proceedings were interrupted by the arrival of Deputy Sheriff Robert W. Baker and Night Officer Cooke on the scene of action. There are several Austrian countrymen of Mr. Justin boarding at his place and William Meyers, who has been working as a butcher in the hop yards at Aurora, came down for a visit with the family, as he is an old friend of Mr. and Mrs. Justin. A party of the Austrians was in the front room enjoying themselves and Meyers went into the kitchen to talk to Mrs. Justin and their children, when one of the Austrians, evidently not realizing that Meyers was a friend of the family, walked into the kitchen and demanded to know of Meyers what he was doing there. This was, of course, none of the Austrian's business and he was informed of that fact and he resented the remarks of Meyers by letting fly a heavy beer glass at the head of the latter. This action precipitated a general mix-up and in the melee Meyers was victorious, as the Austrian has a huge lump on his head.

Why It Succeeds. Because It's for One Thing Only, and Oregon City People Appreciate This. Nothing can be good for everything. Doing one thing well brings success. Doan's Kidney Pills do one thing only. They cure sick kidneys. They cure backache, every kidney ill.

Mrs. Captain C. G. Groves of 824 Raleigh St., Portland, Ore., says: Lapse of time has not lessened the value of Doan's Kidney Pills. I have had in Doan's Kidney Pills since February, 1903, when I publicly recommended this remedy. I had used it in treating kidney trouble of several years' standing. It originally started with dull aching in the small of my back over the kidneys. Colds aggravated the trouble and made the pain sharp and acute. Any extra exertion would bring on a prostrating attack. I had tried various remedies for the trouble without avail, but Doan's Kidney Pills began to help me right after I started using them. They gradually banished the backache and pain in the loin, strengthened the kidneys and helped me in every way. I can conscientiously recommend Doan's Kidney Pills to any sufferer from kidney complaint.

Plenty more proof like this from Oregon City people. Call at Huntley Bros' drug store and ask what customers report. For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

Hops Take Slight Rise. Hops have taken a slightly upward tendency and growers of Clackamas County are surprised and some of them to a very disagreeable extent, as probably half of the hops in the county were not picked at all, but allowed to remain on the vines, in view of the low price and the small crop. Very few growers here contracted their crops this year, as the price offered by the buyers was no inducement, and those who were brave enough and had the means to proceed with the harvest may have reason to congratulate themselves before many weeks.
