

### RISKING LIFE AND MONEY

We have spent a large amount of money in installing a **BURGLAR PROOF SAFE** for the protection of our own money and also that of our customers. With this security which we offer you it is not good business policy to keep money at home where you are not only risking its loss but also taking the chance of personal harm and perhaps loss of life. Bring your money to us and sleep securely in the knowledge that you are taking no chances.

### Further Evidence from Albany Oregon

You should not fail to avail yourselves of the opportunity to secure an early installation of the new Telephone Company's instrument. The "Home" Company will have a waiting list soon.

The Independent Telephone Company has recently installed a telephone plant at Albany and here is a sample of what they have to say:

Rawlings, Printer and Binder, Albany, Ore., March 6, 1907.—To all whom it may concern: The Home Telephone Company's service is so far superior to any service that we have previously had, that it is a pleasure to have one of their telephones and do business on their lines. I have two phones in my office and I always use the Home phone, as I can save time and swear words. Yours truly, (Signed) C. G. RAWLINGS, Mgr. Postal Telegraph Cable Co.

"Albany, Ore., March 6, 1907. To whom it may concern: As a subscriber to the Home Telephone Company I unhesitatingly wish to say that the Home Telephone Company gives us far the best service, not only in promptness to calls, but in the pleasantness of the operatives. I believe it has been of great benefit to the citizens of Albany and community. (Signed) FRED DAWSON."

"Tomlinson & Holman, Staple and fancy groceries and provisions. Albany, Oregon, March 6, 1907. To whom it may concern: The Home Telephone Company has given us a most efficient and satisfactory service and we believe that it has been the direct instrument of so developing the rural service that we now have direct communication with the majority of our farmers. (Signed) TOMLINSON & HOLMAN, Per Holman."

### Portland BUSINESS COLLEGE

TENTH AND MORRISON STREETS, PORTLAND, OREGON

A. P. ARMSTRONG, LL. B., PRINCIPAL

Educates for success in a short time and at small expense, and sends each student to a position as soon as competent. Quality is our motto, and reputation for thorough work brings us over 100 calls per month for office help. Individual instruction insures rapid progress. We teach the loose leaf, the card index, the voucher and other modern methods of bookkeeping. Chartier is our shorthand; easy, rapid, legible. Beautiful catalogue, business forms and penmanship free—write today. References: any merchant, any bank, any newspaper in Portland.

### Farm For Sale

Our business is to show investors that Clackamas county farms are better investments than U. S. gold bonds.

There are many real estate signs in town but the office over the Bank of Oregon City continues to do the real estate business of the county.

### Get Down to Business

If your farm drags on the market let's talk the matter over. Maybe you need the services of a live agency. The "con" talk of the amateur agent won't sell your land. For results see

Preferred Stock Jellies, Jams and Preserves, in glass, come to the home table as wholesome, delicious, and sparkling as those "done" by mother herself—and without the labor and overheating process of cooking; without worrying of covers that don't fit and jars that won't seal; without the loss of cans and fruit through breakage and spoiling.
