FINE EXHIBITS AT MAPLE LANE

GRANGE FAIR LAST SATURDAY WAS A HUGE SUCCESS.

BIG CROWD IS PRESENT

Women Serve Chicken Dinner at Noon and Ribbons are Awarded Exhibitors for Displays.

There were over 200 people who attended the fair given by the Maple Lane Grange at the grange hall at that place Saturday. This fair was one of the best ever given by any grange in the state, and far exceeded that of the fair given by this grange of last year. There was hardly space enough in the hall to exhibit the fine collection of grains, fruit, and vegetables, etc. The arrangement of the exhibits showed much taste by the committee in charge, and were greatly admired by the large throng present.

The hall was decorated artistically with autumn leaves, and the large booth where needlework was displayed was decorated with bunting and evergreens, and the whole room presented a picture of beauty. There were many pretty patch work quilts on exhibition, one of which was raffled, and the lucky number is still outstanding.

The forenoon was taken up with viewing the exhibits, after a short business session of the grange. At noon an elaborate chicken dinner was served by the women of the grange, to which over 150 people of the grange sat down. The long tables were fairly loaded with all of the good things that the women of the grange had prepared.

After dinner was served an excellent musical and literary programme was rendered. The programme was in charge of Mrs. E. O. Seeley, and was assisted by Mrs. C. W. Swallow, and was as follows: Greeting, "Work for the Night is Coming." Grange reading, Mrs. Spiller; vocal duet, Mr. and Mrs. Ralph Miller; recitation, Mrs. A. Mautz; recitation, Mrs. E. Beard; recitation, Mr. Gardner, of Warner Grange; recitation, Mrs. William Bead; vocal solo, Inez Vixon, who has a beautiful soprano voice and delighted her hearers with one of her selections. One of the principal features of the programme was the dialogue, "The Convention of Realistic Readers," and was greeted with applause. Those taking part in this were Shirley Swallow, Emma Derick, Ruth Parker, Edith Parker, John Parker, May Salter, Charlie Ingie, Myrtle Swallow, May Dickerson, Henry Bead, Frances Smith, Doris Reynolds. In the dialogue Myrtle Swallow recited an original poem, which was composed by her mother, Mrs. Swallow, and dedicated to the grange, which caused much laughter. After the programme three judges were chosen to award the premiums to the exhibitors. The judges acting were Mr. and Mrs. C. N. Perry, of Portland, and Mrs. B. F. Linn. There were not enough ribbons for the exhibits, as the collection was much larger than anticipated. Among those winning the most premiums were C. W. Swallow, 23; J. A. Lewis, 12; William Bead, 15; A. MILWAUKIE GRANGE FAIR.

Display of Fine Products Noticeable For Quality and Variety.

The Milwaukee Grange Fair closed Saturday night with a dance. On the whole it was the most successful district fair Milwaukee Grange has ever held. Its success was largely due to the work of Mrs. Julia Casto, Mrs. Mary L. Getchell, Mrs. Mary L. Bokert, Mrs. J. H. Reid, Mrs. Margaret L. Johnson, and other women, besides T. R. A. Sellwood, W. Elmer, Mr. Scott, John Kelso, and others. Some of the exhibits were specially excellent, particularly that of the preserved fruits and jellies. Milwaukee school made a fine display of its work. The United Artisans, Knights and Ladies of Security and the Women of Woodcraft had attractive booths.

Owing to the large space afforded in the new hall the articles for the exhibition were displayed to good advantage.

At the Fair Saturday interest centered in the baby show, which was held in the afternoon. Proud mothers from all parts of the district were present with the babies who were attired in all their finery. It was a difficult task for the managers of the contest. Captain Short, an expert in baby shows, was in general charge, assisted by Mrs. Maggie L. Johnson, who did all the work. T. R. A. Sellwood also assisted. Thirteen mothers entered their babies for the first and second prizes for the prettiest baby under 2 years of age. It was decided that the audience should vote the two prizes, after it was found that no committee could be found brave enough to face the appealing eyes of the 13 mothers, who had taken seats on chairs in front of the audience.

Albert James Elkins, 10 months old, son of Mr. and Mrs. James Elkins, of Milwaukee, received 46 votes out of the 104 cast, and was declared the choice of the audience for the prettiest baby. Albert was decorated with the red ribbon and received a china cup as a prize.

Lucia Mullen, the little daughter of Mr. and Mrs. Ike Mullen, was awarded the second prize.

For the youngest baby the prize was awarded to Cecil Lynch, son of Mr. and Mrs. Richard Lynch, of Milwaukee.

Far the youngest girl baby, the prize was awarded Norma Lance, daughter of Mr. and Mrs. C. B. Lance, of Sellwood.

Friday was Pioneer Day at the Milwaukee District Grange fair and many old settlers were in evidence with their badges. The programme in the afternoon and at night were well arranged and there was a large attendance. In the afternoon the exercises were brief. H. G. Starkweather was chairman. He opened the program with a short talk, then introduced Mrs. Mary Getchell, the Milwaukee Grange lecturer, who delivered the address of welcome to the pioneers. At the conclusion of her talk J. L. Lee, president of the Oregon Pioneer Association, was introduced, and talked for nearly an hour on events of early days. Toward the close of his address Mr. Lee spoke of the wonderful progress being made by the Pacific Northwest, which he declared had been the Mecca of the pioneers, the object of their long and dangerous journey "across the plains." Mr. Lee also gave some interesting Indian legends.

C. W. Bryant, of
