### DUTS STEALS A SHIRT.

County Jail is Crowded and One Prisoner is Liberated.

The theft of a shirt of a trifling value cost J. B. Duts his liberty for ten days, as he was arrested and haled before Recorder Dimick and given ten days in the county jail. Duts occupied a room in a South Oregon City lodging house and the proprietor swore to a complaint charging Duts with stealing an undershirt. The man had the shirt on when he was arrested. His incarceration brought about the freedom of J. G. Ramsey, who was serving a sentence of three months for horse stealing. He had only a week left to serve of his sentence, but it was found that the county would have to purchase more bedding to accommodate the shirt thief and Ramsey was turned loose. There are now nine men in the county jail, seven of whom are charged with the murder of Bing-

wan Singh, a Hindu, at Jarl & Pagh Bros' mill near Boring on Halloween night. Leroy Carden, charged with criminal assault, is also in durance vile, awaiting a hearing when the holidays are over.

### Mrs. Anna Berry Dead.

Mrs. Anna Berry, formerly of Clackamas County, Oregon, died suddenly at her home in Ashland, Or., of hemorrhage of the lungs, Saturday evening, November 23. The funeral took place Tuesday afternoon. Rev. E. F. Green, of the Congregational Church, officiating. The interment was alongside the remains of her husband, Frank Berry, who died two years ago. Mrs. Berry was born in Clackamas County, May 4, 1866, and is survived by two sons, Royal and Percy Berry. She leaves one brother, J. D. Ritter, of Aurora, and four sisters, Mrs. Dobbins, of Marshfield; Mrs. Hurst, of Hubbard; Mrs. Brant, of Juneau, Alaska; and Mrs. Strickland, of Los Angeles, Cal. Of her relatives, only her

brother and his wife and her sons were present at the interment.

### Rain in Three Months.

The precipitation at Oregon City for the three months ending November 30 was 16.60 inches. The unusual downpour was due to the exceedingly heavy rains from November 28 to November 26 inclusive when the precipitation was 8 inches. From September 1 to November 20 the gauge registered 6.60 inches, and from November 20 to November 23 the precipitation was 1.25 inches. The registration from November 26 to November 30 was 75 inches. O. A. Clancy has kept an accurate record of the rainfall during this time.

### STOP THE STRENUOUS LIFE.

Weakens the Tissues and Lessens Organic Vitality.

The stress and strain of the strenuous life in both city and country tends towards stomach troubles.

Five people suffer today where one did ten years ago with sick headache, dizziness, flatulence, distress after eating, specks before the eyes, bloating, nervousness, sleeplessness and the many other symptoms of indigestion.

All who are suffering with stomach troubles, and that means at least two out of three in Oregon City and other towns, should use Mi-o-na stomach tablets. Nothing else is safe, yet effective; nothing else can be so thoroughly relied upon to relieve all troubles from indigestion as Mi-o-na.

It is not a mere digestive taken after the food is eaten, but a true tonic, stimulant and strengthener for the muscular walls of the stomach, increasing the flow of digestive fluids and putting the stomach into such condition that it does the work Nature expects of it.

So reliable is Mi-o-na in its curative action that Howell & Jones, with every 50-cent box they sell, give a guarantee to refund the money unless the remedy does all that is claimed for it.
