POTATO MARKET AT STANDSTILL

PRICE HAS TUMBLED 25 CENTS PER HUNDRED POUNDS WITHIN A WEEK.

SOME FARMERS HOLDING

Fall Wheat is Growing Well and More of That Cereal Has Been Sown This Fall Than in Any Previous Year.

The potato market is practically at a standstill throughout the county. The price during the past week has gone from 70 cents and 75 cents to 50 cents and 75 cents per hundred. Many of the farmers refuse to accept clearing house certificates for their potatoes, and the commission houses in California that have depended so largely on the Oregon potatoes object to accepting sight drafts and bills of lading, thus making it an unusually dull year for the potato market. A large portion of the farmers, rather than sell their potatoes at the above figures will hold their produce until they think that better prices will be paid.

The grocery stores of this city are supplied daily with all kinds of fresh vegetables and a large shipment of excellent apples were received in the city markets during the week. Thanksgiving week was an unusually busy one as experienced by the merchants, who report good sales, and who are looking forward to still larger sales during the coming Christmas and New Year's holidays.

The fall wheat that has already been sown by the farmers is growing nicely, and there will be more grain sown in the county this fall than in any previous year.

The poultry market is again dull in this city, but Thanksgiving week there was a large demand for turkeys, and chickens, but there was very little demand for geese and ducks.

IS REPEATED BY REQUEST

DRUGGISTS HEAR MUCH PRAISE FOR THIS MIXTURE.

RECIPE IS VERY SIMPLE

Lots of Men and Women Here Had the Simple Home-Made Mixture Prepared, Says Druggist.

Some remarkable stories are being told about town and among the country people coming in of this simple home-made mixture curing Rheumatism and Kidney trouble. Here is the recipe and directions for taking: Mix by shaking well in a bottle one-half ounce Fluid Extract Dandelion, one ounce Compound Kargon, three ounces Compound Syrup Sarsaparilla. Take as a dose one teaspoonful after meals and at bedtime.

No change need be made in your usual diet, but drink plenty of good water.

This mixture, writes one authority in a leading Philadelphia newspaper, has a peculiar tonic effect upon the kidneys cleansing the clogged-up pores of the eliminative tissues, forcing the kidneys to sift and strain from the blood waste matter, overcoming Rheumatism, Bladder and Urinary troubles in a short while.

A New York druggist who has hundreds of calls for these ingredients since the first announcement in the newspapers last October stated that the people who once try it "swear by it," especially those who have Urinary and Kidney trouble and suffer with Rheumatism.

The druggists in this neighborhood say they can supply the ingredients, which are easily mixed at home. There is said to be no better blood-cleansing agent or system tonic known, and certainly none more harmless or simple to use.

Carl's Campaign Expenses. Dr. W. E. Carl, the successful candidate for Mayor, has announced his faith in the Huntley Corrupt Practice bill, that was defeated at the last session of the legislature, and he made the following statement of his campaign expenses: Printing circular letter sent to signers of petition, 45¢; postage stamps, \$3.65; addressing and stamping envelopes, \$2; hot coffee and sandwiches sent to polling booths, \$5; cigars and treating, \$1.25; total, \$16.90. This is the first time that a candidate for an office in Clackamas County has made public his campaign expenses.

Makes the Liver Lively. Oring Laxative Fruit Syrup gives permanent relief in cases of habitual constipation as it stimulates the liver and restores the natural action of the bowels without irritating these organs like pills or ordinary cathartics. Does not nauseate or gripe and is mild and pleasant to take. Remember the name Oring and refuse substitutes. Howell & Jones.

A Letter to Santa Claus. November 26, 1907. Dear Old Santa Claus: I want a new suit of clothes and a suit for Otto. Bring Otto a box of blocks and for me two, and sure bring me a new cap and for Otto a sweater for Sunday for me and Otto. My little baby brother wants a little music and my mamma wants a new fur. I can't write yet, so my mamma wrote for and I help her. I guess you know where I live; you was here last year. My name is GILBERT FISCHER. By Clear Creek, Oregon City R. 2, Box 32.

The Cause of Many Sudden Deaths.

There is a disease prevailing in this country most destructive. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidney-poisoned blood will attack the vital organs, causing catarrh of the bladder, or the kidneys themselves break down and waste away cell by cell.

Bladder troubles almost always result from a derangement of the kidneys and a cure is obtained quickest by a proper treatment of the kidneys. If you are feeling badly you can make no mistake by taking Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy. It corrects inability to hold urine and scalding pain in passing it, and overcomes that unpleasant necessity of being compelled to go often through the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases.

Swamp-Root is pleasant to take and is sold by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle of this wonderful new discovery and a book that tells all about it, both sent free by mail. Address, Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

CANBY GOES DRY.

Prohibitions Win and Will Get Rid of Saloons.

Canby is now a dry town after the hottest fight in the history of local municipal elections. J. F. Mitts, the Prohibition candidate for Mayor, won out over his opponent by the narrow margin of two votes. The four Councilmen who are opposed to saloons, were elected by majorities ranging from 7 to 10. The new charter was adopted and the bonding propositions also carried. Following are the new municipal officers: Mayor, J. F. Mitts; Treasurer, F. Zollner; Assessor, Geo. Knight; Councilmen, F. T. Fisher, F. H. Hilton, Charles Lucke and Frank Wood.

A Real Wonderland.

South Dakota, with its rich silver mines, bonanza farms, wide ranges and strange natural formations, is a veritable wonderland. At Mound City, in the home of Mrs. E. D. Clapp, a wonderful case of healing has lately occurred. Her son seemed near death with lung and throat trouble. "Exhausting coughing spells occurred every five minutes," writes Mrs. Clapp, "when I began giving Dr. King's New Discovery, the great medicine that saved his life and completely cured him." Guaranteed for coughs and colds, throat and lung troubles, by Howell & Jones, druggists, 50c and \$1.00. Trial bottle free.
