

THE gumpie effects are always popular for little girls. This one is novel in treatment and adapted to a variety of materials. As shown it is made of cashmere. The waist closes in the back and the front fulness is gathered into a narrow yoke. Prettily shaped shoulder straps are fastened to front and back by large pearl buttons. Cashmere, challis, albatross, linen and pique are all suitable. For a girl of 8 years $3\frac{1}{4}$ yards of 36 -inch material will be required for the dress and $1\frac{1}{4}$ yards for the gumpie.

Girls' Gumpie Dress No. 5691. Sizes for 4, 6, 8, 10 and 12 years.

Simple little dresses in yoke effect and having a full blouse waist are exceedingly well liked for the growing girl. The illustration shows a development in red and black check. The yoke and cuffs are made of plain red material, trimmed with

black soutache braid, put on in a fanciful design. Most of the season's materials are appropriate, such as challis, cashmere, albatross, linen and gingham. For a girl of twelve years $4\frac{1}{4}$ yards of material 36 inches wide will be required.

Girls' Dress No. 5671. Sizes for 8, 10, 12 and 14 years.

The box-pleated dress illustrated is particularly becoming to the childish figure; as the bertha and sleeve caps tend to give breadth to the shoulders. A fitted lining and full-length bishop sleeves are included. The upper part of the dress is in round outline and permits the wearing of different gumpies. Scotch plaid gingham was chosen for the making, but any of the fancy checks would be suitable, also wool batiste, nun's-velvet, cashmere, challis and pongee. For a child of 8 years

$4\frac{1}{4}$ yards of 36 -inch material will be required.

Girls' Box-Pleated Dress. No. 5670. Sizes for 4, 6, 8, 10 and 12 years.

The frock shown in checked gingham is cut somewhat on the princess order. A body lining is included, and provision is made for full length bishop sleeves. A feature is the large collar of white pique, trimmed with a bias band of the checked material. The turned back cuffs and belt are of pique. Silk, cotton and woolen fabrics are suitable. For a girl of seven years $3\frac{1}{4}$ yards of material 36 inches wide will be required.

Girls' Pleated Frock No. 5670. Sizes for 3, 5, 7 and 9 years.
