Smallpox at Cottrell.
Dr. J. W. Norris, county physician, has returned from Cottrell, where he went at the request of Judge Dimick to make an investigation of the smallpox cases that were reported. Dr. Norris found two cases in the family of Paul Dunn, and in these cases the patients are convalescent. There are two other new cases, and the Cottrell school has been closed. Practically the whole neighborhood has been exposed to the disease.

A Dangerous Deadlock.
The stoppage of liver and bowel functions. To quickly end this condition without disagreeable sensations, Dr. King's New Life Pills should always be your remedy. Guaranteed absolutely satisfactory in every case or money back, at Howell & Jones' drug store, 25c.

An Interesting Drama. "The Holy City." Clarence Ben.

net's drama dealing with the story of the death of the Savior, seems destined to take a place among the classics of the American stage. It has already been witnessed by more persons than any other Bible drama and instead of losing its hold seems to be gaining new friends each season. It will be presented at the Shively Theater on Monday next.

CLACKAMAS TAVERN OPEN.
Skating Rink Will Be Built, and Nothing But Soft Drinks Will Be Sold.

Clackamas Tavern, the popular road house on the Clackamas River, has been thrown open to the public, and is commencing to enjoy a popularity that is amazing. Only a few miles from Oregon City, the Tavern is located in a beautiful spot, and is a delightful place for people to spend their Sundays and leisure hours. Mr.

Erickson has abandoned his original idea to erect a dancing pavilion, and will build a commodious skating rink where no liquor will be sold, but soft drinks may be obtained. The rink will be operated by a man of experience. The management invites the public to come early and often to the Tavern, where there may be assured of a warm welcome and a pleasurable time.

Buy Mining Machinery.
The Willow Creek Gold Mining & Milling Company has purchased a four gold amalgamator for use in its mines at Hailey, Idaho, where the machine will soon be installed. Dr. C. A. Stuart, C. P. Farr, M. P. Chapman, George Reddaway, Captain Rambo, H. H. Hoggat and Ira Rambo went to Portland yesterday to inspect the machine in operation at the Lewis and Clark fair grounds.

The Secret of a Beautiful Face
Lies in keeping the skin protected as well as cleansed. Just washing is not enough—that only leaves the delicate surface more exposed to the irritation of dust and germs; to merciless attacks of sun and weather. After washing, apply Robertine and experience its delightful refreshment. You will admire the line-less softness it imparts to face, neck and arms. It not only stimulates a radiant glow, but protects the skin from becoming coarse. Prevents burning, tanning and freckles.
