The neighbors and friends of Jennings Lodge tendered a farewell surprise on Mr. George Morse at his 28. It was a complete surprise. For Sale. Four lots; plenty of fruit, and nine-room house; near Eastham school. Will sell at a great sacrifice if taken soon. M. Yoder.

The auditorium of the McLoughlin Institute was crowded Friday night with people in attendance at the Christmas entertainment given by the pupils of the school. The affair was very successful, about \$75 being realized. The stage was tastefully decorated in harmony with the holiday season, with small Christmas trees and garlands. After an interesting program was rendered, Santa Claus appeared and passed around boxes of candy to the people in the audience. Saint Nick announced that he saw an old-time, cold-weather friend in the audience in the person of Henry Andres, who is just down from Alaska. This rally provoked laughter and applause.

Better Than Medicine. Breathe Hyomei's Tonic Healing and Be Cured of Catarrh.

Nature has a remedy for catarrh, a treatment that is far better than dosing the stomach with medicine. It is the healing oils and balsams of Hyomei which medicates the air you breathe, reach the most remote air cells in the nose, throat and lungs, killing all catarrhal germs, and restoring health to the mucous membrane.

In using Hyomei you are treating your catarrhal troubles with the only natural remedy, for it gives a curative air both to the air passages that has as powerful healing and antiseptic effect as that found in the mountains where the pine forests give off their fragrant and healing balsams.

Breathe the invigorating and healing Hyomei, and see how quickly you will get relief from your catarrhal troubles. Huntley Bros. Co. have seen so many cures, even of the worst cases of catarrh, with offensive breath, raising of mucus, frequent sneezing, droppings in the throat and spasmodic coughing, that they feel warranted in selling Hyomei under an absolute guarantee to refund the money if it does not do all that is claimed for it. They take all the risk.
