Mr. Timmer owns a 14-acre farm, where he raises some of the best hay and potatoes that are brought to the markets. Mr. Timmer ships a great deal of his produce to the Portland markets. At the meeting of the Saturday Club of the Congregational Church, which was held at the home of Mrs. Charles Blum on Tuesday evening, it was decided to give a play in the near future. This club gave a play at the Shively last year and proved a very successful affair. At the next meeting of the club the committee that has the affair in hand will make its report. The Harding building, occupied by the Fair store, will soon undergo some improvements in the way of a substantial plate front and will also have a somewhat extensive balcony constructed along one side in the interior. The Fair is always up to the front, and with these improvements and additional attractive lines being added, Mr. Robinson will be ready to cater to a most fastidious patronage. TWO COUNTY HIGH SCHOOLS. City Board Passes Resolutions at Meeting Monday Night. At the meeting of the city school directors Monday night, resolutions were passed endorsing the creation of one or two county high schools, and advising that it is not advisable to add the Eleventh grade to the present city high school course. The prevailing sentiment of the board is that the addition of another grade to the course in the Barclay High School would be weak and ineffective. Members of the board who have served the taxpayers of the city for a number of years point out that the Eleventh grade that was formerly in existence was unsatisfactory in point of attendance, and after being given a thorough trial it was discontinued. It is naturally presumed that if only one county high school was created that it would be located at the county seat of Clackamas, and this would result in a fine high school that would be a pride to Oregon City and Clackamas County, and would permit every qualified child in the whole county to enter free of tuition. A letter from State Senator J. E. Higgins, the board gave an impetus to the action in which the Senator had been requested to urge an immediate action from the board for an expression, either to add the Eleventh grade to our schools, or not to do so, so that immediate action might follow. Members of the Alumni Association of the Barclay High School who are actively interested in the establishment of a high school in this city will now proceed to circulate the necessary petitions to bring the county high school proposition before the voters at the coming election in June. Early Bird Debaters. W. S. U'Ren, the "step-father" of Statement No. 1, has issued a challenge to Judge Stephen A. Lowell, of Pendleton, to debate with him on the merits of that much talked statement. It appears that the latter gentleman has questioned the party standing of Mr. U'Ren, and he, in turn, says the Judge is talking in surprise in view of his opposition to Statement No. 1. Mr. U'Ren says that he will take the position that it is the duty of every voter who would be true to the American ideal of government to refuse to vote for the nomination or election of any candidate for the Legislature who does not promise, without any qualifications whatever, that as a member of the Legislature he will obey the instructions of the people in choosing a United States Senator. This means, of course, that I will uphold Statement No. 1 and the people's right to instruct. "I shall be pleased to arrange with you for this discussion at the earliest possible date and for as many such meetings, if you have the courage to defend your convictions on the stump. You will remember that in the campaign two years ago you refused to meet me in such discussions. "Trusting that you will favor me with an immediate reply, I am very truly yours, "W. S. U'REN."

BAD WRECK ON SHERIDAN BRANCH.

Local Train Heavily Loaded Struck a Broken Rail at End of Tracks—Three Killed and Twenty-three are Injured. Three were killed and 23 were injured, one very seriously, by the derailment of the Sheridan local on a short trestle bridge about three-fourths of a mile west of Forest Grove Tuesday evening. The dead are: MRS. EDWIN BAES and 5-month-old daughter, of Forest Grove. J. A. McDONALD, of McMinnville. Mrs. J. H. Brown, aged 60, of Sheridan, was badly crushed, and may not recover. The accident resulted from a broken rail, one 39-foot section at the west end of the trestle bridge being splintered into four pieces by the weight of the heavily loaded coaches. The defective rail apparently did not give way until after the engine, mail and baggage cars had crossed in safety. The smoker was the first to leave the track, carrying with it two day coaches. The smoker and the first day coach ran over the ties for a distance of 20 yards and pitched from the trestle to the ground, ten feet below, striking on their sides. The second day coach also left the track and turned over partly over. Miss Grace Harding, of Gaston, a passenger in the rear coach, was thrown through a window into less than two feet of water beneath the trestle, but escaped uninjured. Residents of Forest Grove hurried to the scene and assisted the injured, removing them from windows on the upper side of the overturned cars. The dead bodies were removed to a local undertaking establishment. None of the injured sustained any broken limbs, and with the exception of Mrs. Brown, who received serious internal injuries, few required the services of a physician, their injuries consisting principally of bruises and slight cuts from broken glass. When the passengers had been assisted from their uncomfortable positions, such of the injured as resided at points further west were placed in the baggage and mail cars and shortly after 9 o'clock that part of the train which remained intact proceeded to Carlton and McMinnville, where several of the injured live.

OVERTAXED.

Hundreds of Oregon City Readers Know What It Means. The kidneys are overtaxed; Have too much to do. They tell about it in many aches and pains—Backache, sideache, headache, Early symptoms of kidney illness. Urinary troubles, diabetes, Bright's disease follow. G. H. Springmeyer, expressman, of 1016 First St., Portland, Ore., says: "Exposure to rough weather and the jarring of my wagon brought on kidney trouble. My back ached almost constantly and the action of the kidneys seemed weak and the passages of the secretions too frequent. Doan's Kidney Pills came to my notice and I got a box and began using them at once. The pain in my back was soon relieved and the kidney secretions became normal. Two boxes of Doan's Kidney Pills brought about this result."—(From statement made Feb. 28, 1903.) On Jan. 12, 1906, Mr. Springmeyer confirmed the above statement and added: "Since the time referred to in my former testimony I have not had a trace of kidney trouble. I have recommended Doan's Kidney Pills to many people and am always glad to do so." Plenty more proof like this from Oregon City people. Call at Huntley Bros' drug store and ask what customers report. For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other. "With this new report of the packing plant confirmed, Portland progress will be more swift than ever."—Portland Telegram. A very terse remark.

All the Gold IN GEORGIA Could not Buy. Roding, Ga. August 27, 1906. Messrs. E. C. DeWitt & Co., Chicago, Ills. Gentlemen:— In 1897 I had a disease of the stomach and bowels. Some physicians told me it was Dyspepsia, some Consumption of the Lungs, others said consumption of the Bowels. One physician said I would not live until Spring, and for four long years I existed on a little boiled milk, soda biscuits, doctor's prescriptions and Dyspepsia remedies that flooded the market. I could not digest anything I ate, and in the Spring 1901 I picked up a box of your Almacas as a poor emaciated Dyspepsia wracked to my life. I took that Almacas and the benefit I received from that bottle of your G.O.D. IN GEORGIA COULD NOT BUY. I kept on taking it and in two months I went back to my work, as a machinist, and in three months I was well and hearty. I will use a little occasionally as I find it a fine blood purifier and a good tonic. May you live long and prosper. Yours very truly, G. N. CORNELL.

To Say Au Revoir. On Monday evening the hospitable home of Mr. and Mrs. Charles Albright was the scene of a large reception tendered there by Mrs. Charles D. Latourette, Mrs. R. D. Wilson, Mrs. Charles H. Caulfield and Mrs. H. E. Stevens, and to these ladies great credit is due it is due for the successful affair. The occasion was the departure of Mr. and Mrs. Albright and family in the near future for their home at Hood River. The invitation included members of the Congregational church of which Mrs. Albright is an active member, also a number of old-time friends, who testified by their presence the high esteem in which they are held. During their residence in this city Mr. Albright has been one of Oregon City's leading business men, ever ready to advance its interests, while Mrs. Albright has been a prominent figure in church and social circles. The Albright residence was artistically decorated Monday with blossoms and trailing ivy, and Indian baskets were used in profusion. During the evening games and vocal and instrumental music were enjoyed, followed by a luncheon. On this occasion Mr. and Mrs. Albright were presented with a handsomely engraved solid silver set of forks. At a late hour the guests departed regretting this, the last meeting with one of such high esteem. Probably no home in Oregon City has been the scene of so many pleasant social gatherings and parties, and now that this is the last social evening with friends on the eve of their departure, there is surely shown a passionate feeling of regret, yet a hearty good cheer and a smile to carry with them to their new home in the beautiful Hood River valley. THE FOURTH ANNUAL MASK BALL.

The Fourth Annual Mask Ball given by the Deutscher Verein of Oregon City at the Armory on Saturday evening was a great success. There were over 100 maskers on the floor, and many beautiful and striking costumes were in evidence, as well as comic dances. Many of the old-time German dances were enjoyed by the Germans, as well as by the many American people who were present. The music for the occasion was furnished by the Trolley orchestra, of Portland. The ladies' first prize, a handsome silk umbrella, was awarded to Miss Florence Seifer, who represented a German lass; gentlemen's first prize, Joseph Muench, as a Dutch burghmaster; H. W. Streibig and James Partlow were awarded prizes for representing "Mother Grundy" and Mr. Partlow "Uncle Sam." The committee in charge of the affair were D. M. Klemens, P. J. Winkel and Ed. Mueller. The members of the Congregational church held their regular monthly party at the church Tuesday evening, which was one of the largest attended gatherings of this nature in the Congregational church. The program rendered during the evening was as follows: Quartette, James Roake, Bert Roake, Mr. Lucas and E. Avison; recitation, Aline Phillips; solo, Arvidson; whistling solo, Harold Swafford; recitation, Mrs. Hull; duet, Mrs. May and Miss Lucia Niles; quartette, Jas. Roake, Bert Roake, E. P. WHO USES HYOMEL?

The Best People in Oregon City Say Huntley Bros. Guaranteed in Catarrhal Troubles. No other remedy or treatment for catarrh has ever been as popular or made so many remarkable cures in Oregon City as Hyomel. The best people attest its curative virtues, say Huntley Bros., who are the local agents. The fair way in which Hyomel was sold, to refund the money unless it gave satisfaction, was the best proof when it was introduced that it possessed unusual curative powers. Huntley Bros. took all the risk of the treatment giving satisfaction, and left it to the purchasers to be the judge. Later, when Hyomel was used and recommended by our well-known physicians and business men and their wives as a treatment that absolutely cured catarrh, no matter how serious or long standing, the sales rapidly grew, and today there is no other remedy in Huntley Bros' stock that has such a large and staple sale. The first breath of Hyomel's healing air kills all catarrhal poisons. Try Hyomel today on Huntley Bros' offer to refund the money if the treatment does not give you satisfaction.
