**WILLIAM F. BRAYTON**

Faithful to His Country and to His Maker, Passes Away at the Age of 71 Years.

William Frederick Brayton was born in Chautauque County, New York, in March, 1837. At the age of seven years he moved with his parents to Grundy County, Illinois. On May 19, 1861, he enlisted with the Federal forces in the Civil War and was wounded at Fort Donaldson in February of the following year. In the autumn of that same year he was discharged on account of disability, caused by the wound, and just before discharge was taken prisoner, enduring untold hardships and suffering.

In June, 1863, Mr. Brayton was married to Miss Mira M. Walley, and in 1871 they moved to Oregon. Since that time they have lived almost constantly in Oregon City and vicinity, where they are widely known and highly respected.

Mr. Brayton was a gentle, kindly man, blameless in life and actions. Since coming to Oregon he has been a member of the Oregon City Baptist church, where he was always faithful to his Christian profession, living daily the faith which was to him his life. He was superintendent of the Baptist Sunday school for eight years. He was also a G. A. R. man, and chaplain of the Abernethy Grange, of which he had long been a member.

Besides a widow there are three children—Mrs. Ina M. Kellogg, of Oregon City; Mrs. Elsie M. Blood, of Eagle Creek; and M. L. Brayton, of Cashmere, Wash.

The funeral took place from the family residence at Parkplace on Thursday afternoon, and the interment took place in the Clackamas cemetery, Rev. John M. Linden, pastor of the Baptist church, officiating. Many friends of the deceased of Oregon City and Parkplace attended the funeral, and the floral offerings were beautiful. Among the floral pieces noticeable was the floral offering sent by the Abernethy Grange, of Parkplace.

**Warner Grange.**

The recent meeting held at New Era by Warner Grange at the grange hall was largely attended, and the meeting proved to be one of the most interesting meetings held by this grange. The forenoon session was taken up with the regular routine work, and important business was also brought up for discussion. All of the newly elected officers and those who retained their offices of last year were present. Worthy Master Thomas F. Ryan, of Oregon City, was present. Six new candidates were initiated into the mysteries of the fourth degree, and two new applications were filed.

At noon a banquet was thoroughly enjoyed by the large crowd present, and was followed by the lecturer's hour, when two and one-half hours was taken up with an excellent musical and literary program. The program was in charge of Mrs. George Lazelle, the newly elected worthy lecturer, and Mrs. Lazelle deserves great credit in the arrangement of the afternoon's excellent program, which was one of the best that that place have enjoyed. It was Lincoln Day, and the program was carried out accordingly. One of the features of the afternoon's program was the sketch of Abraham Lincoln's life and gave many interesting reminiscences of his home and surroundings, and was followed by James Hilton, R. S. Coe, Mr. Vineyard, Mr. Thompson, Mrs. Dundas and Miss Lillian Gans, who also interested the members with their readings and recitations. Miss Gans, Miss Burjone and others rendered several musical selections, which were well received. The program was followed by a discussion on "Grafting and Spraying," which is a very important subject to the farmers this season of the year, and the discussion was taken by many of the fruit growers of the south end of the county, and was continued until the next meeting which will be held March 28. At the meeting delegates were chosen to attend the County Grange Convention to be held in the Court House on Tuesday, March 10, and it is expected that there will be many granges of the county represented on that day. The delegates chosen to represent the Warner Grange at the county convention are: R. S. Coe, James Hilton, Thomas F. Ryan; alternates, George Lazelle, A. M. Vineyard and Mrs. A. M. Vineyard.

**F. M. GILL Announces.**

In announcing my candidacy for Representative for Clackamas County, I wish to say:

I am for Statehood No. 1 first, last and all the time, and will vote for the people's choice for United States Senator.

I promise to place the people's interests above every other consideration.

I believe in preserving the initiative and referendum and direct primary law, and of further extending their usefulness.

I favor State savings banks on the New Zealand plan, the State paying 3 per cent on deposits and loaning the money on mortgage security at 6 per cent, the profits of the business to be distributed annually to the schools of the State, to be used for school purposes.

I favor the recall amendment to the Constitution.

I favor good schools, good roads, and economy in public affairs.
