GEORGE W. DIXON Editor Canby Tribune

Republican Candidate for Representative CHAMPION OF STATEMENT 1

(I take the pledge—No ifs nor ands)

George W. Dixon, editor of the Canby Tribune, is a Republican Candidate for Representative. Mr. Dixon is a man of considerable ability and with a laudible ambition to go higher. The people can depend on Mr. Dixon if elected. Honest and reliable, what more do the people want? And his ideas correspond with the ideas of the people.—Woodburn Independent.

A Vote For Dixon is a Vote Against the Single Tax

Will support peoples' choice for U. S. Senator; Will introduce a law guaranteeing the peoples' money deposited in banks, by providing an insurance fund in the state treasury, protecting our money the same as we have protection against loss of our property by fire. Mr. Dixon is the leader of the fight against the single taxers, who are trying to exempt the millionaire manufacturers from taxation, thus throwing the burden upon farmers and land owners. If this law should go into effect the farmers and land owners of Clackamas county would have to pay over \$58,000 more taxes next year than they are now paying. If nominated, Mr. Dixon will devote his time until June writing and speaking against this unjust measure. He will introduce a law allowing each road district to elect its own supervisor. He will advocate better roads, better schools, and a square deal for every man, whether he be rich or poor.
