Nearly all other Cough Cures are constipating, especially those containing opiates. Kennedy's Laxative Cough Syrup moves the bowels. Contains no opiates.

### Kennedy's Laxative Cough Syrup

"A Cold or a Cough nearly always produces constipation—the water all runs to the eyes, nose and throat instead of passing out of the system through the liver and kidneys. For want of moisture the bowels become dry and hard."

Kennedy's Laxative Cough Syrup relieves Colds by working them out of the system through a copious action of the bowels.

A young ne'er-do-well is strongly suspected, and if a few things can be proved upon him he will be politely invited to ride out of town on a rail. That is the worst of a sneak thief. ### Highland.

Mrs. Hysom, who has been visiting in Washington for some time, is home again. She brought home with her a baby girl five weeks old.

Fairis Mayfield has a bran new buggy and there is much speculation among the pretty girls as to who is to be the first lucky one.

Frank Walsh, of Oregon City, spent Tuesday night of last week with Geo. Stevens and family, who have his farm rented.

One of Highland's most gallant young men called on his best girl one evening a short time ago and time passed so quickly that it grew dark before he was aware of the lateness of the hour, so he suddenly made up his mind he was very tired—too tired in fact to walk home, so he was invited by the family to spend the remainder of the night with them. The invitation was gladly accepted and he immediately retired to his room, and to soothe his nerves he quietly lit his lantern and crept into bed. So it will be well for other young men just starting out sparring, to profit by his experience, especially if they are afraid to sleep in the dark and see to that their lanterns are well filled before leaving home.

Macksburg to Celebrate. Macksburg has about decided to celebrate the 4th in metropolitan fashion. The matter will be definitely decided upon at a meeting to be held in Smith's hall, May 16, at 1:30 p. m. Should plans now under consideration mature, the Knights of the Macabees and Ladies of the Macabees will have general management of the celebration. A band will be secured and an interesting program will be rendered. Macksburg has often distinguished herself in the success of her picnics, but this will be the first time she has undertaken a big 4th of July demonstration. As surrounding localities do not contemplate celebrating, Macksburg will have a big territory to draw from, and with plenty of shade trees and abundance of water on the grounds, a successful celebration is assured.

EVERY DAY Many questions arise which Polk's Gazetteer of Oregon and Washington can answer. You will find it's use a saving ofttime—and a necessary convenience.

Thousands Have Kidney Trouble and Never Suspect it. Prevalence of Kidney Disease. Most people do not realize the alarming increase and remarkable prevalence of kidney disease.

While kidney disorders are the most common diseases that prevail, they are almost the last recognized by patient and physicians, who content themselves with doctoring the effects, while the original disease undermines the system.

What To Do. There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in fifty-cent and one-dollar sizes.

You may have a sample bottle and a book that tells all about it, sent free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention this paper and don't make any mistake, but remember the name, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y.
