Gray to the Front.
Work That Counts For Better School Privileges.
Considerable airing has been given the County High School question within the two weeks just past, due largely to the position the two candidates have taken in the matter. It was quite evident at the outset that the people of Clackamas County outside of Oregon City, would not stand to be entirely shut out of high school privileges, and by a most prominent dissenting voice, as against a single high school, have brought out the favorite position occupied by Mr. Joseph W. Gray in his support of High Schools when population demanded them.

resident of this city for many years before going to Dundee.
Mrs. H. P. Martin, of Portland, is visiting her parents, Mr. and Mrs. F. A. Miles, in this city.
Mr. and Mrs. Fred Miles, of Portland, are spending a few days with the former's parents, Mr. and Mrs. F. A. Miles. Mr. Miles is express agent of the Southern Pacific.
Mr. and Mrs. Angus Matheson left Tuesday evening for Seattle, Tacoma, and British Columbia, on a pleasure trip, and will view the fleet of warships. They will return to Oregon City next week.

At the meeting of the Clackamas County Rose and Carnation Society on Thursday evening the date for the coming rose show was set for Friday and Saturday, June 12 and 13, at Willamette hall.

The Papermakers will go to St. John next Sunday afternoon to play baseball with the Apostles, and on Decoration Day there will be two games at Canemah Park against the Albina Wanderers. The Oregon City team is now in fourth place in the league standing, and the prospects are that they will finish close to the top. Many good games are looked for by the Oregon City team during the coming summer.

Death of Mary Ann Mackrell.
Mrs. Mary Ann Mackrell, one of the well-known residents of Molalla, died Tuesday, May 12, aged 85 years, 1 month and 25 days.

Mrs. Mackrell was born March 17, 1823, at Farcham, Hampshire, England, and on October 20, 1848, was married to Thomas Mackrell. In 1859 she with her husband and family came to Oregon and made their home at Woodburn. From that place they moved to Clatsop Plains, where they made their home until 1898. From Clatsop Plains they moved to Molalla, where she has since resided.

Mr. Mackrell, her husband, died September 22, 1906, after he and his wife had enjoyed life together for 68 years.

The children are Mrs. Morris, of Woodburn; Mrs. William Tagg, of Clatsop Plains, Or.; Mrs. A. E. Allen, of Seaside, Or.; and William Mackrell, of Molalla.

The funeral was largely attended by her many friends, and the casket was banked with beautiful flowers.

Mrs. Claud Henriel is injured in Runaway.
Mrs. Claud Henriel, while riding in a buggy on Saturday evening, met with a painful accident, and her escape from death was miraculous.

While riding along Main Street near the Baptist church, the horse hitched to the buggy became frightened and unmanageable and started to run away, and threw Mrs. Henriel heavily to the ground, but was caught between the spokes of the wheel of the buggy. She was dragged along the ground until the horse struck the iron fence near the McLoughlin Institute, and falling against it, this saved Mrs. Henriel from being dragged to death. Dr. Mount was summoned and Mrs. Henriel was taken to her home, where her injuries were dressed, and although badly bruised no bones were broken.

Siam is Discussed by Missionary Society.
A missionary meeting was held at the Presbyterian manse on Tuesday afternoon. The subject of "Siam" was discussed, and the program was in charge of Mrs. A. Robertson. Several of the members gave interesting talks on this subject. During the afternoon Mrs. Landsborough served refreshments. The next regular monthly meeting will be held at the home of Mrs. M. McGeehan.

CURE THE CAUSE.
How to Remedy Much of the Suffering in Oregon City.
Half of the sickness and suffering in Oregon City comes from a weak stomach.

Cure the cause by using Mi-na Stomach Tablets and be well and happy.

Even the most chronic cases yield to Mi-na. W. C. Worrel, connected with the Lake Shore Railroad for years, says: "For fifteen years I had acute stomach trouble and nothing helped me. A friend recommended Mi-na and two boxes entirely cured me."

Cure the cause of your suffering and be well and happy.

If the stomach is weak and you have indigestion, flatulence, dizziness, headache, etc., get a 50-cent box of Mi-na from Howell & Jones. They give an absolute guarantee to refund the money unless Mi-na cures.

Memorial Day at Warner Grange Saturday.
The Warner Grange held at the Grange Hall at New Era last Saturday day well attended. It was Memorial Day at the Grange, and a program fittingly for the occasion was rendered. Speeches were made by A. J. Lewis, of Maple Lane Grange; Mr. Dodds, Mr. and Mrs. Davis McArthur, Mr. and Mrs. George Laelle, Mr. R. S. Coe and about 20 others. Judge Thomas F. Ryan of this city, who is master of Warner Grange, was present and gave a talk on "The County High Schools," favoring this movement. Mr. Ryan's talk on this subject was listened to with great interest, which materially changed the opinion of many on the High School question.

The lecturer's hour program was well rendered, which followed the delicious chicken dinner served by the women of the grange.

The next meeting of the grange will be held on the last Saturday of the month, and as this will be children's day, a special program is to be given by the children of New Era.

J. H. Leiper, of Portland Oregon, Writes Letter Which May be of Great Interest to Skin Sufferers in This City.

160 Grand Ave., North Portland, Or.
For about fifteen years I had been afflicted with Eczema and had tried many remedies, to very little purpose, and no cure. Somewhat in desperation I tried D. D. D. I was soon convinced before the bottle was half empty that I had at least found medicine that was not a deception. Now I have a little left of the third bottle and am entirely cured of the Eczema, and for seven months have had no symptoms of its return.

J. H. LEIPER,
Field Secretary Northwest Sabbath Association.

What D. D. D. did in this case it ought to do for you. This wonderful remedy is now recognized by the foremost physicians and scientists as the quickest and surest cure for Eczema and skin disease of any nature. This remedy is as safe and pleasant to use as pure water, and is applied directly to the afflicted parts, leaving no bad odor or sticky, salty substance. The first application gives instant relief, and as far as we have been able to investigate quickly effects the most astonishing and permanent cures wherever rightly used. If you are a sufferer from any kind of itch or skin disease of any nature do not fail to try this remarkable remedy. Pamphlets on skin diseases and their cure, diet, exercise, bathing, etc., free at our store. Howell & Jones.

The Most Common Cause of Suffering.
Rheumatism causes more pain and suffering than any other disease, for the reason that it is the most common of all ills, and it is certainly gratifying to sufferers to know that Chamberlain's Pain Balm will afford relief, and make rest and sleep possible. In many cases the relief from pain which is at first temporary, has become permanent, while in old people subject to chronic rheumatism, often brought on by dampness or changes in the weather, a permanent cure cannot be expected, the relief from pain which this liniment affords is alone worth many times its cost. 25 and 50 cent sizes for sale by Huntley Bros., Oregon City and Molalla.

Crawford-Allredge.
Miss Bessie Crawford and F. J. Allredge were married in this city on Sunday afternoon at the residence of Rev. R. C. Blackwell. Mr. and Mrs. Allredge are well-known in this city, where they will make their home.

Andrew Carothers, of Emry, Mont., has been in this city and Canemah where at the latter place he has been the guest of his aunt, Mrs. M. A. Plummer. Mr. Carothers left this city Tuesday for a week's sojourn in the Sound cities to witness the fleet parade and will return to continue his visit with friends and relatives here. Ladies' trimmed Hats. Greatest values at the price ever offered. Miss C. Goldsmith.

It Reached the Spot.
Mrs. E. Humphrey, owns a large general store at Omega, O., and is president of the Adams County Telephone Co., as well as the Home Telephone Co., of Pike County, O., says of Dr. King's New Discovery, "It saved my life once. At least I think it did. It seemed to reach the spot—the very seat of my cough—when everything else failed." Dr. King's New Discovery not only reach-

Opening of Chiropractors Offices.
Doctors Lavalley and Farnung, of Portland, are this week opening offices in Oregon City for the practice of Chiropractic. These two noted physicians are among the very best in this professional line and intend to locate permanently here. They will demonstrate to sufferers their ability to cure chronic diseases by the drugless system and from their fame in Portland there is reason to believe they will receive the patronage of Oregon City people.

They have an announcement in this issue of the Courier which will explain their manner of treatment, with temporary offices.

Granger's Expression.
From the splendid condition of business thrift and enterprise seen on every hand by the Grangers of the state, at Eugene last week, it is evident that local option, a "dry town" or even prohibition, works no injury to any business, save the "wet goods" industry.

J. W. THOMAS,

JOSEPH W. GRAY, Independent Candidate for County Superintendent of Schools.

Mr. Gray has been working diligently to the end that the county shall be given just and equal privileges and has the backing of a greater party of the taxpayers of the county, who have children and who consider the advisability of voting to support a single high school in a remote part of the county and then the inconvenience and expense which would follow the attendance of such a school by children so far removed. What they are considering is that high schools must come to the various settlements or towns where the population warrants, where their children can have within their reach the privileges granted in the high school.

Let not the voters, who have the educational interests of the county at heart, be misled by any turn table proposition which might seem to partially fill the desired situation, but cast their vote in such a manner that the case may be clearly decided against the County High School proposition.

The Courier is the only county paper that gives you the news of the county.

Mr. and Mrs. Charles Porter and daughter, Miss Bernice, of Baker City, arrived in Oregon City Thursday night, and will visit with Mr. Porter's parents, Mr. and Mrs. R. W. Porter, of Canemah for several weeks. Mr. Porter is now manager of a telephone company and was formerly a resident of this city. Miss Porter is an accomplished musician, and will probably sing at the coming session of the Chautauqua.

T. B. Hankins and family, who left Oregon City about two years ago for Cottage Grove, returned to Oregon City Saturday, and are visiting at the home of Mr. and Mrs. Hankins' daughter, Mrs. H. E. Straight. Mr. Hankins and son, William Hankins, who have been in the sawmill business at Cottage Grove, have sold their business at that place, and with Mr. Dunn, of Oswego, have purchased a sawmill at Dundee, about 12 miles from Newberg. Mr. Hankins will move his family to that place, and William Hankins, who is at present in Cottage Grove, will move his family to Dundee in a very short time. Mr. Hankins was a
