MI-ONA MEANS STOMACH COMFORT. It's of Special Value to Many Here in Oregon City. A notable discovery, and one that appeals especially to many people in Oregon City is the combination of stomach help in the Mi-ona Treatment. This preparation works wonders in cases of indigestion or weak stomach. It acts directly upon the walls of the stomach and bowels, strengthening and stimulating them so that they readily take care of the food that is eaten without distress or suffering. So positive are the good effects following the use of Mi-ona that the remedy is sold by Jones Drug Co., under an absolute guarantee to refund the money if it fails to cure. A 50-cent box of Mi-ona will do the good the stomach needs, which is simply to make it do its own work. Seeley's Best Flour.
