Bady Sprained Ankle Cured.

Three years ago a lighter sprained her ankle and had been suffering terribly for two days and nights—had not slept a minute. Mr. Stallings, of Butler, Tenn., told us of Chamberlain's Pain Balm. We went to the store that night and got a bottle of it and bathed her ankle two or three times and she went to sleep and had a good night's rest. The next morning she was much better, and in a short time could walk around and had no more trouble with her ankle.—E. M. Brumit, Hampton, Tenn. 25c and 50 cent sizes for sale by Huntley Bros., Oregon City and Molalla.

Nelson Wisner Celebrates Birthday.

Nelson Wisner, son of Mr. and Mrs. J. N. Wisner, celebrated his fourth birthday on Saturday afternoon by inviting about 20 of his little friends at the Pratt home. The time was merrily spent in games, and one of the features of the afternoon was a luncheon served to the little guests. The table was prettily decorated with roses, and the prevailing colors were pink and white. In the center of the table was a large birthday cake ornamented with pink candies, and each guest presented with a favor. The Pratt home was artistically decorated with bright colored roses and ferns. At five o'clock the little guests departed for their homes, wishing their little host many more such happy occasions.

Following were present: Sally Lang, Margaret Beatie, Catherine Eastham, Jean Moffett, Alice Lewthwaite, Harriet and Janet Griffith, Jeanette McBain Arline McHaffey, Mildred Huntley, Marion Pickens, Edward Humphrys, Alon Shewman, Nelson Wisner, Lot Beatie.

Born in Iowa.

Our family were all born and raised in Iowa, and have used Chamberlain's Colic, Cholera and Diarrhoea Remedy (made at Des Moines) for years. We know how good it is from long experience in the use of it. In fact, when in El Paso, Texas, the writer's life was saved by the prompt use of this remedy. We are now engaged in the mercantile business at Narcoossee, Fla., and have introduced the remedy here. It has proven very successful and is constantly growing in favor.—Eunice Bros. This remedy is for sale by Huntley Bros., Oregon City and Molalla.

Stomach Troubles.

Many remarkable cures of stomach troubles have been effected by Chamberlain's Stomach and Liver Tablets. One man who spent over two thousand dollars for medicine and treatment was cured by a few boxes of these tablets. Price 25 cents. Samples free at Huntley Bros' drug store, Oregon City and Molalla.

COMMON SENSE VS. STRONG DRUGS.

Simple Oil of Wintergreen Cures Eczema and Drives Out Old Fogy Treatment.

If you were to hack your finger or scald your arm, you would apply some healing remedy as soon as possible, wouldn't you?

That would be good common sense and it would bring the quickest relief. You surely would never think of drinking medicine or doctoring the blood to cure a surface affliction. It's just the same principle with diseases of the skin. Eczema, psoriasis, salt rheum and barber's itch can be cured and cured easily if you strike right at the trouble as you do with the out or burn.

The cause of itching, burning skin diseases according to modern science is a germ which feeds upon the weaker parts of the skin. To kill these skin bacilli which produce the itching sores and ugly red blotches, use the famous prescription of oil of wintergreen, glycerine and thymol, commonly known as D. D. D. Prescription. This mild liquid was advocated by a prominent skin specialist, Dr. Dennis of Chicago, long before it was adopted generally. This liquid is called D. D. D. Prescription. It is a positive specific for all skin diseases.

Don't dose the stomach. Cure the skin through the skin. We know D. D. D. and vouch for it. Call at our store and let us explain. Jones Drug Co. Booklet on skin diseases free.
