Strawberry Crop Will Be Large Throughout County.

Mrs. O. A. Hayward, of Clackamas, was in Oregon City on a business trip Monday morning. Mrs. Hayward says that the berry crop in Clackamas will be very large this year, and that picking will begin at that place in a few days. The Hayward strawberry tract consists of 1 1/2 acres, and the varieties are Clark's Seedling, Lovett and the Wilson. The berries from the Hayward place are marketed in Portland, and command the highest market prices, owing to the excellent berries. R. B. Holcomb, son-in-law of Mr. and Mrs. Hayward, has five acres in strawberries and his crop will be larger than that of last year. Messrs. Hanson, Deadman, Duncan, Hartnell and other farmers in the Clackamas

section, who are in the berry business, and all report good crops this year, although the rains have injured some of the early varieties. The soil of Clackamas is well adapted to the raising of fine berries, and each year large shipments are made from this place.

The following communication was received by Mrs. Martha C. Hayward, of Clackamas, who is an active member of the Grange:

 Martha C. Hayward,

Dear Madam:

I am today in receipt of your letter of the 11th instant enclosing numer-

ously signed petition urging me to support Parcels Post Senate Bill No. 5122, and in reply take pleasure in informing you that I am in hearty sympathy with this measure, and shall do all in my power to see it enacted into law. I adopted this measure in my platform, and having pledged myself to the people to do all I could to secure the adoption of such a measure, I shall certainly endeavor by every means possible, to carry out my promise to the people of Oregon.

Thanking you for calling the matter to my attention, I remain,
 Sincerely yours,
 J. BOURNE, Chairman.

Thinks It Saved His Life.

Lester M. Nelson, of Naples, Maine, says in a recent letter: "I have used Dr. King's New Discovery many years for coughs and colds, and I think it saved my life. I have found it a reliable remedy for throat and lung complaints, and would no more be without a bottle than I would be without food." For nearly forty years New Discovery has stood at the head of throat and lung remedies. As a preventive of pneumonia, and healer of weak lungs it has no equal. Sold under guarantee at Howell & Jones' drug store. 50c and \$1.00. Trial bottle free.

Horticultural Society Will Give Prize to Strawberry Growers.

At the horticultural meeting that was held at the court house on Friday afternoon very little business was transacted. The meeting was not as largely attended as heretofore. It was voted upon to give to the strawberry growers, who are to exhibit their berries at the coming rose show, a premium of \$3.00 for the best commercial crate of strawberries, and \$2 for the second best crate.

A Grand Family Medicine.

"It gives me pleasure to speak a good word for Electric Bitters," writes Mr. Frank Conlan, of No. 439 Houston St., New York. "It's a grand family medicine for dyspepsia and liver complications; while it cannot be too highly recommended." Electric Bitters regulate the digestive functions, purify the blood, and impart renewed vigor and vitality to the weak and debilitated of both sexes. Sold under guarantee at Howell & Jones' drug store. 50 cents.

Bucklen's Arnica Salve Wins. Tom Moore, of Rural Route 1, Cochran, Ga., writes: "I had a bad sore come on the instep of my foot and could find nothing that would heal it until I applied Bucklen's Arnica Salve. Farm For Sale

Our business is to show investors that Clackamas county farms are better investments than U. S. gov't bonds.

There are many real estate signs in town but the office over the Bank of Oregon City continues to do the real estate business of the county.

Get Down to Business

If your farm drags on the market let's talk the matter over. Maybe you need the services of a live agency. The "con" talk of the amateur agent won't sell your land. For results see
