Miss Garmire is the most remarkable and only lady Rapid Artist on the Pacific Coast, and the second in the United States, and paints her pictures with a speed remarkable, and a realism beyond description. No words can adequately convey to your imagination what Miss Garmire can accomplish with the brush in a few moments.

Many of her productions are local scenes that will be the more enjoyed by the Courier's friends in Clackamas County.

EVERY LOVER OF REAL ART

Every observer of Nature should see Miss Garmire at work in the Courier front window, opposite the Court House, each day from 10 A. M. to 4 P. M., beginning Monday, July 6th.
