First White Child Born in Oregon City Dies.

Julia Elinore Stratton, wife of C. C. Stratton, was buried at Coquille, Ore., Tuesday. She was the first white child born in Oregon City, then a settlement and trading point. She was daughter of one of the first missionaries of the Methodist church to the Indians. The large brick church in Salem was built by her husband, and the picture of her father, who organized it, hangs there.

FORESTERS GIVE EXCURSION.

Excursionists Are Delighted with Scenery of Columbia River.

The excursion given by the Foresters of America on last Sunday to Multnomah Falls was not as largely patronized as was expected. The people who went had a most enjoyable time, as the day was perfect, and the scenery of the Columbia River was never so inviting as on this trip. The elegant steamer, the J. N. Teal, left the Oregon City Transportation dock at 7:30 o'clock and made stops at Portland and Vancouver, arriving at Multnomah Falls about 1 o'clock, giving the visitors plenty of time to see the falls and enjoy the scenery surrounding. The boat started home about 3 o'clock and made good time, arriving in Oregon City about 8 o'clock. A band of eight pieces furnished the music.

EAGLE WILL SCREAM AT HIGHLAND.

Hon. G. B. Dimick is the Orator of the Day at Highland.

There will be a regular old-fashioned Fourth of July celebration at Highland, and a good time is offered the people who attend the celebration. Hon. G. B. Dimick, of this city, will deliver the oration. A basket dinner will be enjoyed at noon, and will be followed by a baseball game and other sports. Refreshments will be sold on the grounds, and good music has been engaged for the occasion.

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous membrane. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give one hundred dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

Prominent Farmers Attend Meeting at Court House.

Benjamin Wolford, D. P. Yoder, Rudolph Zimmerman, road supervisor, and Samuel Wolford, prominent farmers living in the Neesey precinct, were in Oregon City on Wednesday attending a road meeting at the court house. Samuel and Benjamin Yoder, who have been prominent hop growers of Neesey, claim that the hop yield will be small this year. Benjamin Yoder has put his ground, formerly in hops, to grain, and Samuel Yoder, who has at present only six acres in hops, says he will not pick his crop this year, as the price paid for hops does not cover the expense of raising and picking same. They report that the grain and fruit crop will be good in the Aurora country.

Help for Those Who Have Stomach Trouble.

After doctoring for about twelve years for a bad stomach trouble, and spending nearly five hundred dollars for medicine and doctor's fees, I purchased my wife one box of Chamberlain's Stomach and Liver Tablets, which did her so much good that she continued to use them and they have done her more good than all of the medicine I bought before.—Samuel Boyer, Folsom, Iowa. This medicine is for sale by Huntley Bros., Oregon City and Molalla. Samples free.
