The OREGON GIRL

MISS IDA MAY GARMIRE, the most remarkable and only lady rapid artist on the Coast, and the second in the United States, will paint beautiful oil pictures in the front window of the Courier office, in the Weinhard building, corner Main and Eighth Streets, opposite Court House. We are astonished at the life likeness of her paintings. No description can adequately convey to your imagination what has been accomplished by this lady. "Where rolls the Oregon," The mighty mountain peaks of Hood, Rainier and Adams; the pictures of wood and lake; clouds and birds, with nature's reflection from the bosom of the still waters of the deep and the foaming breakers of the Pacific as they dash against the rocks, will astonish, and please, and fascinate, and delight all who will take the time to stop in front of the Courier window.

We look forward with pleasure to this new sensation--this fresh movement--this advantage excelling all other advantages in premiums. Not a man, woman, or child within the reading circle of the Courier should fail to see her at work in the front window of the Courier office from 10 a. m. to 4 p. m. beginning Monday, July 6. Miss Garmire, the girl artist, is a wonder, with brush and no mistake--it is nature's gift.

The Courier's Great Gift to Secure Subscribers

We will give a \$5.00 painting of mountain dale and glen; of lake, wood and forest; of home field and path in the woods, and beside the still waters of the lake, reflecting mountain forest and cloud; the rippling stream; the majesty of nature; a memory of golden opportunities of the past. For \$2.00 we now offer a year's subscription to the Courier and one of these beautiful oil paintings as a premium. Make this your business week in the city. Ask your neighbor, "Do you take the Courier?" Tell them of this opportunity over the telephone. Come and see more than we can possibly tell you.

Beacon Lights

The name of Paul Revere, Artist, Patriot and Artisan, will ever shine as one of the Beacon Lights of American history.

His Heroism immortalized in Verse--his Genius, in Sterling Silver.

Paul Revere

Silversmith of the Colonial Period, lives today, not only in the few old pieces bearing his mark and now treasured as Colonial Heirlooms--but as well in the Paul Revere Pattern in Towle Sterling, which follows faithfully the theme of designs for silver decoration originated by him. Its graceful lines, with the threading that forms its only ornamentation, exemplify the elegant simplicity of the Period.

For true Colonial Atmosphere, exquisite taste and faultless design, we commend the Paul Revere.

Made for permanent service, and affording an unusually wide scope of selection, you may complete your set at once or gradually.

An occasion for a just pride is the possession of a table service in the Paul Revere.

Thousands Have Kidney Trouble and Never Suspect it.

Prevalency of Kidney Disease.

Most people do not realize the alarming increase and remarkable prevalence of kidney disease. While kidney disorders are the most common diseases that prevail, they are almost the last recognized by patient and physicians, who content themselves with doctoring the effects, while the original disease undermines the system.

What To Do.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, cures every kind in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases.

You may have a sample bottle and a book that tells all about it, both sent free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y.
