Dr. E. A. Somer has the first dog now to his credit, having run over and killed the animal while making a fast run to Canehmah in answer to a hurry call from a patient at that place Saturday afternoon. "Good Roads" seems to have become in recent months the subject of almost every conversation when a group of citizens get together. During the last two weeks there has been more discussion of good roads among members of the Portland Commercial Club than there has about the great political campaign that is before us. GREAT SKIN CURE STIRS EUROPE.

Medical Profession Interested in External Wash Which Is Producing Remarkable Results.

Instant relief and permanent cures have so invariably followed the use of an American prescription for the cure of skin diseases that European doctors, always zealous to lead in fields of medical knowledge, are still directing inquiries as to the ingredients of this external vegetable remedy. The makers of the prescription, the D. D. D. Company of Chicago, are replying frankly to such European inquiries that this eczema remedy is simply oil of wintergreen compounded with other vegetable ingredients of known healing power such as thymol and glycerine. Apparently no case of no matter how long standing can stand against this simple remedy, known as D. D. D. Prescription. Here is a typical letter from Mrs. E. Payne of East Pittsburg, Pa.: "I had a horrible breaking out on my legs and feet, and tried nearly all medicines and salves without result. The first bottle of D. D. D. helped me, and I secured a complete cure. That was two years ago and I have had no trouble since."

We have investigated the merits of D. D. D. Prescription and believe it to be the best and quickest cure for skin diseases. At any rate, we positively know that it takes away the itch just as soon as you apply a few drops of the soothing liquid. Call for free booklet on care and nutrition of the skin and ask for a cake of D. D. D. soap. Jones. Drug Co.

Not the Austrians.

Editor Courier:—

Please make the following correction in your paper concerning the undersigned in connection with the capture of two Austrians near Beaver Creek Sunday. We were held up by several farmers on that morning and ordered at the point of guns to load ourselves into their rig and go to town, the farmers mistaking us for the Austrians wanted for the murder of the young lady in Oregon City. We wish to state that we are not Austrians, but Americans, with clean records, from Toledo, Ohio, machinist and tinner by trade and were looking for work in the farming country due to lack of work in the city, and are not afraid of work, have but recently arrived from the east, and wish to remain in this vicinity. We would suggest that the farmers that made this mistake might at least come to town and set up the soda water.

Respectfully,
ED SAFF,
LEON BALDWIN.

Boy's Life Saved.

My little boy, four years old had a severe attack of dysentery. We had two physicians; both of them gave him up. We then gave him Chamberlain's Colic, Cholera and Diarrhoea Remedy which cured him and believe that saved his life.—William H. Stroling, Carbon Hill, Ala. There is no doubt but this remedy saves the lives of many children every year. Give it with castor oil according to the plain printed directions and a cure is certain. Linen Shower for Miss Daulton.

Mrs. J. B. Lewthwaite entertained at bridge for Miss Edna Daulton Wednesday evening at her home on the west side, the occasion being a very pretty pre-wedding linen shower, a large number of Miss Daulton's friends being present. The scheme at this shower was somewhat different than is customary at such occasions. A large and well decorated hat was used to receive the linen gifts which were numerous. Those in attendance were the Misses Mrajorie, Edna and Clara Caufield, Miss Margaret Goodfellow, Miss Eilzabeth Kelley, Miss Nieta Harding, Miss Robin Shaw, Miss Laura Pope, Miss Martha Frances Draper, Miss Eidth Cheney, Miss Amee Bollack, Miss Zida Goldsmith, Miss Alice Lewthwaite, Miss Emily OM'alley, Miss Cis Barclay Pratt, the Misses Bessie and Helen Daulton, Mrs. Ethel Caufield Daly, Mrs. J. N. Wisner, and Miss May Peel. Miss Peel is from Portland and assisted her sister, Mrs. Lewthwaite, in looking after the welfare of those present.

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give one hundred dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.
