Fred Raymond's famous comedy will appear at Shively's opera house, Monday, Sept. 21. Among the plays which have been seen by theatre-goers few have ever attained the popularity of THE MISSOURI GIRL. The name of Fred Raymond is a household word, and any attraction exploited by him is sure to be well received, having the prestige of previous successes behind it.

A prominent dramatic critic, reviewing the successes and failures of this season, in a late number of a popular magazine, makes the following statement: "It is not the manager who changes his play each year that makes the money. The successful manager is the one who takes one play and sticks to it, endeavors to build it up, and each year offers it to the public in better shape than before." This was Fred Raymond's idea eleven years ago when he first introduced the Missouri Girl. Each year the play has been improved and twice re-written, and now Mr. Raymond has the satisfaction of knowing that he has one of the best money-making attractions on the road, and "The Greatest Domestic Comedy of the Age," One performance of THE MISSOURI GIRL will be given at the Shively Opera House, Monday evening, Sept. 21.

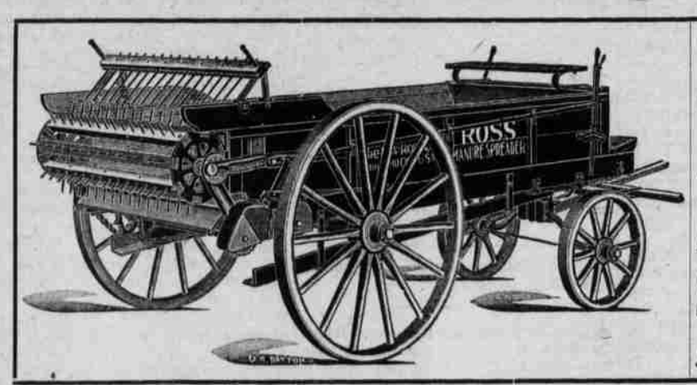
TWO LABOR SAVERS



The ROSS Manure Spreader INSURES A GOOD CROP

THE ROSS Manure Spreader is entirely automatic. The Web never has to be cranked back into position. It has a bottom that is a great improvement over the endless bottom. It breaks up the manure very fine and distributes it evenly no matter what the condition may be. It has extra heavy chains and gearing and is in every way a perfect manure spreader.

READ THIS TESTIMONIAL

Mitchell, Lewis & Staver Co., Portland, Oregon

Gentlemen:—I have had one of your Ross Manure Spreaders for some time, and find that one man and four horses can do the work of three men and six horses in the old way. It has given me entire satisfaction.

Cleone, Oreg. Yours truly B. P. REYNOLDS

The DREW LITTER CARRIER

WILL HELP KEEP YOUR BARN IN A CLEAN CONDITION

The Drew Litter carrier will decrease your labor and save you a great deal of **unnecessary** hard work. It will enable you to keep your barn in a clean condition and better the health of your stock. You can load the Drew right in the barn, give it a shove and it will run out to the end of the cable, automatically dump and return for another load. It can dump the manure into a manure spreader or onto the ground.

For Coughs and Colds

Nearly all other Cough Cures are constipating, especially those containing opiates. Kennedy's Laxative Cough Syrup moves the bowels. Contains no opiates.

Kennedy's Laxative Cough Syrup

"A Cold or a Cough nearly always produces constipation—the water all runs to the eyes, nose and throat instead of passing out of the system through the liver and kidneys. For want of moisture the bowels become dry and hard."

Kennedy's Laxative Cough Syrup relieves Colds by working them out of the system through a copious action of the bowels.
