C. Hall, a well known Meadowbrook farmer, visited Oregon City Monday, and while here dropped into the Courier office, where he placed on exhibition a prize-winning bunch of corn. The corn, which is of the variety known as "The Pride of the West," was exhibited at the Grange fair in Molalla last week, where it won the first prize. There are seven stalks in the bunch which bear fifteen ears of corn. Corn is not the only prize-winning vegetable that Mr. Hall raises, as he also took first prizes at the Molalla fair for potatoes, onions, squash, cabbage, carrots, parsnips and pumpkins, in fact he nearly made a sweepstake of the whole vegetable exhibit. One of the parsnips placed on exhibition by Mr. Hall was a curiosity itself, measuring 42 inches in length. Mr. Hall has a fine farm of 70 acres, 20 of which are under cultivation.

Card of Thanks.
We shall hold in tender and grateful remembrance all the deeds of kindness rendered to us by our neighbors and friends during the illness and burial of our wife and mother; their words of heartfelt sympathy, the appropriate music and beautiful floral tributes; for all of which in this way we feebly express our thanks.
THOMAS SHUTE,
and family.

Moulton; third, Miss Minnie Rakel. The gentlemen's third prize was captured by S. P. Scripture. After the whist prizes were awarded, a tempting banquet was enjoyed.

Would Mortgage the Farm.
A farm on Rural Route No. 2, Empire, Ga., W. A. Floyd by name, says: "Bucklen's Arnica Salve cured the two worst sores I ever saw: one on my hand and one on my leg. It is worth more than its weight in gold. I would not be without it if I had to mortgage the farm to get it." Only 25 cents at Jones Drug Co.

Married by Former Teacher.
Mrs. Phoebe Gage, of Portland, and T. H. Clark of Douglas County were quietly married in this city Tuesday by Justice of the Peace W. H. Samson. The bride is well known in this county, being a granddaughter of John Wilhott, the discoverer of the famous springs bearing his name. One coincidence of the nuptials was the fact that thirty-five years ago, the bride was a scholar of Mr. Samson, who was then teacher of the Marquam district. The newly married couple will make Sellwood their future home.

A Wise Selection.
Mrs. Gertrude L. Strange has been selected by the school board as the new teacher for the tenth grade of high school department. The board certainly is to be congratulated on the selection, as Mrs. Strange is peculiarly fitted for this work, having had several years' experience as a teacher in the public schools at Oregon City and was at one time county school superintendent of that county. Her many friends will be pleased to learn of her selection to this important position.—Corvallis Gazette.

A GOOD STOMACH.
Means Good Health, Cheerfulness, Ambition, Persistence and Success.

Relief is not cure; opium will stop the most excruciating pain, but it won't cure the disease.
And it is just the same with alleged dyspepsia cures which contain opium. The opium will help digest the food, but the stomach is left in worse condition than it was before.
You don't want any opium to digest your food; you want the natural juices of your stomach to digest your food. If you have dyspepsia or any stomach trouble, you want to make your stomach so strong that it will digest its own food.

You can make your stomach so strong that you can eat what you wish and all you want any time you want it, without distress.
Mi-na will cure your dyspepsia or any other stomach trouble by building up the flabby walls, and making the stomach so strong that it will digest food without artificial aid.
Jones Drug Co. is the agent for Mi-na in Oregon City and they say to every reader of the Oregon City Courier whose stomach is weak, who has indigestion or dyspepsia, that Mi-na is guaranteed to cure or money back.

The price is only 50 cents a box, and one box is all you will need to prove that you are on the right road to health and happiness.
I can't say enough about Mi-na tablets; they have done more for me in one week than all the doctors have for the two years I have been under their care, and I will do all I can to recommend it to my friends.
You can also use my name in your ad, if you like, for Mi-na is better than gold to me. I am like a new man, and am able to work once more for the first time in over a year.—W. A. Ennis, 325 Green St., Syracuse, N. Y.

Often The Kidneys Are Weakened by Over-Work.
Unhealthy Kidneys Make Impure Blood.
It used to be considered that only urinary and bladder troubles were to be traced to the kidneys, but now modern science proves that nearly all diseases have their beginning in the disorder of these most important organs.
The kidneys filter and purify the blood—that is their work.
Therefore, when your kidneys are weak or out of order, you can understand how quickly your entire body is affected and how every organ seems to fail to do its duty.
If you are sick or "feel badly," begin taking the great kidney remedy, Dr. Kilmer's Swamp-Root, because as soon as your kidneys are well they will help all the other organs to health. A trial will convince anyone.
If you are sick you can make no mistake by first doctoring your kidneys. The mild and the extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy, is soon realized. It stands the highest for its wonderful cures of the most distressing cases, and is sold on its merits by all druggists in fifty-cent and one-dollar size bottles.
You may have a sample bottle, name of Swamp-Root, by mail free, also a pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing to Dr. Kilmer & Co., Binghamton, N. Y. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y.
