"THE SCHOOL OF QUALITY"

Tenth and Morrison, Portland, Oregon A. P. Armstrong, LL.B., Principal

☐ We occupy two floors 65 by 100 feet, have a \$20,000 equipment, employ a large faculty, give individual instruction, receive more calls for office help than we can meet. Our school admittedly leads all others in quality of instruction. It pays to attend such an institution.

☐ Said a Business Man: "Keep hammering away everlastingly on thorough work. It will win out in the end." Said an Educator: "The quality of instruction given in your school makes it the standard of its kind in the Northwest."

☐ Open all the year. Students admitted at any time. Catalogue free.

Harley Mitchell, of Sandy, is visiting his aunt, Mrs. S. F. Scripture, in this city.

Harry McClure is spending a two weeks' vacation with relatives in Brownsville.

Miss Mabel Francis commenced a term of school in the Dodge district Monday. This is Miss Francis' first year of teaching.

If you like the better kind of music hear "Faries of the Seasons", October 16. You will enjoy the solos, quartets, choruses, orchestra, etc.

Superintendent T. J. Gary is at present engaged in apportioning the school fund. Mr. Gary states that the fund will be at least \$5000 greater than that of last year.

J. W. Staudinger, R. P. Cooper, O. T. Kay, Charles Hall and Ralph Holman, all residents of Meadowbrook, were in this city Wednesday in an effort to induce the County Court to build a bridge across the Molalla River near Meadowbrook.

Grand Recorder P. D. Knapp, Grand Financial Secretary T. H. Andrews, both of Seattle, and Grand Treasurer C. T. Mescher of Everett, representing the Washington Grand Lodge of the Foresters of America, and Past Chief Ranger W. H. Klepper, Grand Secretary A. B. Dalgity and Grand Treasurer J. M. Eckland of Portland, representing the Oregon Grand Lodge, were in this city Wednesday on a business trip and to visit with the members of Court Robin Hood No. 9, of this city.

Silas Wright, one of the best known residents of Liberal, made a business trip to Oregon City Tuesday. While here he paid the County office a visit, and left some fine corn and potatoes.

The corn, which is of the variety known as "White Dent," is of a very fine quality, growing in sandy, large ears, and speaks well for Mr. Wright's method of farming. Five acres of the Wright farm are planted in this variety of corn. The potatoes are of the "Rural New York" variety, and are mammoth in size. One mammoth tuber has a cluster of smaller ones growing on one end of it, and the size of any of the last mentioned would more than satisfy the ordinary farmer.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it to be a local disease and prescribed local remedies, and by constantly falling into a local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful, and acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.

Address: F. J. CHENEY & CO., Toledo, Ohio.

Sold by druggists, 75c.

Take Hall's Family Pills for constipation.

Instrumental and vocal music was the feature of the evening and a delicious luncheon was served. At a late hour, the guests departed, wishing Mr. and Mrs. Midlam many happy returns of the day.

Pretty Milwaukee Wedding.

The home of Mrs. Albee in Milwaukee was the scene of a very pretty wedding, Sunday, October 4, at noon, when her daughter, Lizzie E. Albee, and Arthur C. Davis, son of Mr. and Mrs. P. T. Davis, were united in marriage.

The parlor was very prettily decorated with white clematis and pink roses, and the dining room in asparagus and red geraniums.

The bride looked very sweet in cream silk with cream roses in her hair, and carried an arm bouquet of cream roses and asparagus fern. The couple entered the parlor as Miss Lou Albee played the wedding march, and the sacred service was performed by Rev. Shouer of the Evangelical church.

After the newly married couple had

received the congratulations of relatives and friends present, a bountiful wedding dinner was served. E. Albee, Mr. and Mrs. Davis left in the evening for a trip of a week or two among the beautiful hills of Oregon. That they are held in high esteem by many friends was attested by the numerous and useful gifts bestowed by those present and others who could not attend the wedding. All join in wishing them a long, happy and prosperous life.

On their return, Mr. and Mrs. Davis will reside in the new cottage Mr. Davis has prepared for his bride.

Why Colds Are Dangerous.

Because you have contracted ordinary colds and recovered from them without treatment of any kind, do not for a moment imagine that colds are not dangerous. Everyone knows that pneumonia and chronic catarrh have their origin in a common cold. Consumption is not caused by a cold but the cold prepares the system for the reception and development of the germs that would not otherwise have found lodgment. It is the same with all infectious diseases. Diphtheria, scarlet fever, measles and whooping cough are much more likely to be contracted when the child has a cold. You will see from this that more real danger lurks in a cold than in any other of the common ailments. The easiest and quickest way to cure a cold is to take Chamberlain's Cough Remedy. The many remarkable cures effected by this preparation have made it a staple article of trade over a large part of the world. For sale by Huntley Bros. Co., Oregon City and Molalla.
