Does the Baby Thrive

If not, something must be wrong with its food. If the mother's milk doesn't nourish it, she needs *Scott's Emulsion.* It supplies the elements of fat required for the baby. If baby is not nourished by its artificial food, then it requires

SCOTT'S EMULSION

Half a teaspoonful three or four times a day in its bottle will have the desired effect. It seems to have a magical effect upon babies and children. A fifty-cent bottle will prove the truth of our statements.

Send this advertisement, together with name of paper in which it appears, your address and four cents to cover postage, and we will send you a "Complete Handy Atlas of the World."
