Petitions for Writ of Review.

School District No. 48, the Parkplace district, has petitioned the circuit court to issue a writ of review under the seal of the court commanding School District No. 115, which comprises the district recently formed out of a portion of the Parkplace district, to certify to all proceedings relating to the division of the districts together with a record of the attempted adjustment and all other matters relating to the liabilities and assets of district 48. Ever since the new district was formed there has been continual warfare between the directors of the two districts, and instead of becoming straightened out, the situation has grown more tangled, so the above suit was instituted in the hope of getting to the bottom of the controversy. The plaintiff is represented by George C. Brownell and C. D. and D. C. Latourette.

The American Hereford Cattle Breeders' Association recently appropriated $500,000 to be used for the advancement of that brand of cattle. This money was placed in the hands of three men, and they were instructed to use it wherever and whenever they saw fit.

Miles of this place persuaded me to try Chamberlain's Colic, Cholera and Diarrhoea Remedy, one bottle of which stopped it at once." For sale by Huntley Bros. Co., Oregon City and Molalla.
