

Estacada.
Estacada will still be a dry town, notwithstanding the decision of the supreme court. Mayor W. A. Heylman, as spokesman for the present city administration, says: "Respectively of any powers granted to the council by the city charter to license saloons, no licenses will be granted during the term of this administration. The people voted that this should be a dry town, and we will abide by their mandate." This stand is approved by a large majority of the people.

It is thought by many who have studied the charter that it does not exempt the city from the operation of the local option law, as it is not a parallel of the Medford or Condon charters.

Harry Sherman, a boy of corpulent build, was tripped on the basement stairs of the Estacada school last Thursday and thrown down with such force that three ribs were broken. His home is at Cadzoro.

Miss Anna Cademan, of Portland, was the guest of Miss Mary Dale, several days this week.

The chief social event of last week was the Halloween party given by Miss Mary Dale at the home of her parents on Main street, Saturday evening. Seventeen young people were present and enjoyed the occasion very much. The parlor was tastefully decorated with autumn leaves and ferns. The Halloween pranks of the Estacada youngsters consisted in scrawling various misrepresentations on the windows of the business part of the town with soap. Many an unpleasant

truth stared some of the people in the face.
Mrs. F. M. Gill is spending the week with her father and mother, Mr. and Mrs. Wm. Dale.
Miss Eva Pruner, Miss Mae Stevens, Miss Stella Womer, Miss Mary Edgerton, Miss Buchanan, and Mr. James, principal of the Estacada school, and his wife, are spending Wednesday, Thursday and Friday in Oregon City to attend the teachers' institute.

Estacada had a very quiet election; 84 votes were cast for Bryan and 117 for Taft.

Oregon Patents.

Granted this week. Reported by C. A. Snow & Co., Patent Attorneys, Washington, D. C.: G. B. Clement, Portland, safety shoe for loggers. F. A. Gerling, Portland, draft application. L. Honstein, Portland, clamp for fruit jars. J. A. McConnel, Dallas, check attachment for cars. T. Papworth, Portland, stocking supporter. J. M. White, Selma, saw for removing stumps. T. H. Williams, Hood River, loaf maker for bread. For copy of any of the above patents send ten cents in postage stamps with date of this paper to C. A. Snow & Co., Washington, D. C.

A Correction.

I would like to state to the public that I have not disposed of my grocery store, but as they could not agree to my terms, I still retain the business. Respectfully Yours, A. ROBERTSON, Seventh Street Grocer.

Change in Management of Transfer Company.

George W. Bradley, who for some time has operated the Pioneer Transfer Company, has sold his interest in the concern to W. E. Young, and will start a moving picture show in Klammath Falls. Jack Woods, also a member of the firm, has retained his stock, and will continue as secretary of the company. Mr. Young is well known in this county, and taught school until a few years ago, when he began to follow agricultural pursuits. The Pioneer Transfer line is the oldest concern of the kind in the county, and was started in the early days by C. N. Greenman, who managed the business till a few years ago, when failing health necessitated his retirement.

Injured by Falling.

While walking past the sulphite storeroom of the Willamette Pulp & Paper Company last Friday night, William Brain, an employee of the company, slipped on a piece of tin and fell heavily, shattering a bone in his right ankle. Mr. Brain was taken to his home in Canemah, and will be unable to walk for the next six weeks.

RHEUMATIC FOLKS!
Are You Sure Your Kidneys Are Right?

Many rheumatic attacks are due to uric acid in the blood. But the duty of the kidneys is to remove all uric acid from the blood. Its presence there shows the kidneys are inactive. Don't dally with uric acid solvents. You might go on till doomsday with them, but until you cure the kidneys you will never get well. Doan's Kidney Pills not only remove uric acid, but cure the kidneys, and then all danger from uric acid is ended.

F. A. Sutton, of 1135 Water St., Salem, Ore., says: "For ten or twelve years rheumatism and kidney trouble the plague of my life and two or three times I was laid up on account of the pains being so severe. I could hardly move, owing to the lameness in my back and had to leave my farm and come into the city to doctor for the trouble. Nothing seemed to bring me more than temporary relief however, and I was in bad shape just before I procured Doan's Kidney Pills. My limbs would scarcely support me and I could only get around at times with the greatest difficulty. Doan's Kidney Pills benefited me at once and when I had used the contents of three boxes, I was free from every symptom of my old trouble, and my health was better than it had been for years. I can conscientiously say that Doan's Kidney Pills are the best remedy of the kind I ever used."
