"Holy City," a Beautiful Play of the Days of Our Savior.

The influence of the Savior of mankind permeates and illumines every scene of "The Holy City." Clarence Bennett's powerful religious play, which is to be offered at Shively's opera house on Tuesday, November 17. This is all the more remarkable when the fact is considered that He does not appear upon the stage. Mr. Bennett has so ingeniously and masterfully conjured up the atmosphere of those bitter days, 2000 years ago, when the Son of God met his death upon the hill of Calvary in expiation for the sins of man, that the spectator unconsciously feels the nearness of the Teacher and Guide who is so constantly referred to.

This is one of the reasons that has prompted so many clergymen to heartily endorse the play and to recommend it not only to professing Christians, but to all seekers after truth whatever their faith. The play is not an adaptation of the scriptural story. It is the scriptural story without alteration of change, the narrative recorded by the evangelists. There is an added story which deals with the love of Salome, the daughter of Herodias, for Marius, a young Roman, but that is entirely separate and distinct and does not detract from the other story of the persecution, death and glorious resurrection of the Christ.

The play is presented by a company of rare excellence. Nearly all of the parts are character parts and players having special facility in the delineation of strongly marked roles were chosen for the principal characters. The settings are usually ornate, massive and rich, and the costuming is lavish in the extreme.

MAKES ASTONISHING CURES.

Mi-o-na Tablets Cure Dyspepsia by Promptly Removing the Cause, or Money Back.

Mi-o-na is a scientific and effective remedy for the permanent cure of indigestion.

Food is digested in the stomach by means of a churning movement of the walls of the stomach, which thoroughly mixes the food with the gastric stomach juices.

If the muscular walls are flabby and lack tone or energy, the stomach cannot churn the food properly, and the digestive juices are not properly mixed with the food.

This causes indigestion. The common symptoms are: weight and fallness after meals, coated tongue, bad taste in the mouth, discharges of wind from the mouth, and belching of sour material. Dyspepsia cannot be cured by taking a digester, such as pepsin, because pepsin simply digests your food artificially, and not all of the food either, for it has no effect at all on starchy food, such as potatoes, rice, oatmeal, bread, etc.

There is just one way to cure dyspepsia and stomach disorders, trivial or serious, and that is to tone up or put energy into the stomach walls, so that they will be able to properly mix or churn the food.

Mi-o-na tablets cure stomach troubles by putting strength and energy into the stomach. They quickly arouse the stomach from its inaction, and in a short time it is able to do its work properly.

And bear in mind that when the stomach is in good condition, constipation disappears, also nervousness, drowsiness, night sweats, heartburn, etc.

Jones Drug Co. sells Mi-o-na tablets under a rigid guarantee to do all that is claimed for them, or money back.

The residents of Roseburg and Douglas county are up in arms over the fact that the prunes raised in that county are, after being packed, labeled as a Salem product.

EVER WATCHFUL

A Little Care Will Save Many Oregon City Readers Future Trouble.

Watch the kidney secretions. See that they have the amber hue of health.

The discharges not excessive or infrequent; Contain no "brick-dust like" sediment.

Doan's Kidney Pills will do this for you. They watch the kidneys and cure them when they're sick.

N. S. Williams, carpenter, of 239 Liberty Street, Salem, Ore., says: "A number of years ago the doctors told me my kidneys were in bad shape. I came West on account of the trouble, thinking the change of climate would help me, but such was not the case. Nothing I did or took gave me relief and I was about discouraged. On procuring Doan's Kidney Pills I found them the best medicine I had ever used. At the time I procured them I was suffering from an intense burning sensation as if two live coals were placed directly over my kidneys. The secretions from my kidneys were also unnatural in appearance. After using two boxes of Doan's Kidney Pills I did not have the least pain in my back or trouble with my kidneys. I give all the credit for this change in my condition to this valuable remedy."

Freddy Busybody on Mules.

By F. M. GILL.

Mules is the world's champion kickers. A mule has two ends, the hind end to sit with and the other end to kick with. "But I want to say that all kickers ain't mules, tho' all mules is kickers. When you meet a mule you should come up to the front end of him, 'cause if you came up to the other end of him you might arrive prematurely in the New Jerusalem. When you meet a kicker who kicks just because he enjoys it, you wish he wouldn't get to that place at all, but would go to the other."

Mules eat hay and oats. Mules has four legs, one stuck onto each corner of him. My pa sez mules has "eloungated articular appendages." I ast him how to spell them words. I ast what they meant and he sez "Long ears." My pa owns one of these awtomatik kickin' mabeens. He keeps her in the barn. Her name is iz Maud. One mornin' she got loos in the stable and kicked me in the slats and knocked me over the manger into the hay mow. I tell you what, I felt like Happy Hooligan's pa. I was laid up for repairs for about a month. I haven't got even with that mule yet. I don't like mules.

Mules is stubborn animals. When they make up their mind to stand still they'll move 'em 'bout an arthquake. Some men is just ez stubborn, and then we say they are as stubborn ez mules. I don't no no more 'bout mules.—Freddy Busybody.
