High School Defeated.

Outweighed by at least 20 pounds to the man the Barclay High School football team met its first defeat Saturday afternoon in Portland, when they were up against the mighty aggregation of gridders warriors representing the Catholic Young Men's Club. At the end of the game the score stood 41 to 0. The Club team is composed of former college stars, many of whom played the game before the high school had its knickerbocker days. "Football" meant, and they were able to play rings around the Oregon City team. However, they "let them down easy" and the local boys are loud in their praises of the treatment accorded them, both on and off the field. Where it was possible, the clubmen substituted lighter men, and eliminated roughness to such an extent that not a man was in any way injured.

The Barclay team does not in the least mind this defeat, and the members are already looking forward to November 29, when they will play the Forest Grove high school. F. J. Loneragan, the former Notre Dame star, who for the past three years has been known as one of the hardest line backing halves of the Multnomah Club, will take the team in hand, and round them into shape. That he is fully capable of doing this is shown by the winning teams that have represented Columbia University under his coaching.

A Handsome Premium Free.

The Christian Herald, a weekly visitor to many people in this locality, is this year giving free to every new and renewing subscriber a most attractive gift, which is very appropriately called "The Art Gallery De Luxe". It consists of six famous paintings, superbly reproduced in fourteen colors, aggregating 1,000 square inches. The artist catches the glint of sunbeams through orchard trees and makes them dance and beam on canvas. But how can we paint in mere words the beauty of these six exquisite pictures? A large premium was never offered by any magazine.

Probably no comment is necessary concerning "The Christian Herald," the magazine that fully satisfies, as is only the best in literature and art is presented and every one of its 32 is the whole year around, sparkles with gems from cover to cover. The Christian Herald contains 1,200 large pages and 1,000 illustrations yearly—such as any four \$1 magazines.

The subscription price is \$1.50 per year, but every new subscriber who sends \$1.00 to the Christian Herald, 444 Bible House, New York, will receive "The Christian Herald" every week from date of order until January 1, 1910, and in addition the incomparable "Art Gallery De Luxe" free.

How to Cure a Cold.

Be as careful as you can, you will occasionally take cold, and when you do, get a medicine of known reliability, one that has an established reputation and that is certain to effect a quick cure. Such a medicine is Chamberlain's Cough Remedy. It has gained a world-wide reputation by its remarkable cures of this most common ailment and can always be depended upon. It acts on nature's plan, relieves the lungs, aids expectoration, opens the secretions and aids nature in restoring the system to a healthy condition. During the many years in which it has been in general use we have yet to learn of a single case of cold or attack of grip having resulted in pneumonia when this remedy was used, which shows conclusively that it is a certain preventive of that dangerous disease. Chamberlain's Cough Remedy contains no opium or other narcotic and may be given as confidently to a baby as to an adult. For sale by Huntley Bros., Oregon City and Molalla.

What Would You Do?

In case of a burn or scald what would you do to relieve the pain? Such injuries are liable to occur in any family and everyone should be prepared for them. Chamberlain's Salve applied on a soft cloth will relieve the pain almost instantly, and unless the injury is a very severe one, will cause the parts to heal without leaving a scar. For sale by Huntley Bros., Oregon City and Molalla.

How Is Your Digestion?

Mrs. Mary Dowling, of No. 228 8th Ave., San Francisco, recommends a remedy for stomach trouble. She says: "Gratitude for the wonderful effect of Electric Bitters in a case of acute indigestion, prompts this testimonial. I am fully convinced that for stomach and liver troubles Electric Bitters is the best remedy on the market today." This great tonic and alterative medicine invigorates the system, purifies the blood and is especially helpful in all forms of female weakness. 50 cents, at Jones' drug store.

THE CAUSE OF COLDS.

Good Advice Regarding the Prevention of Coughs and Colds.

If people would only properly fortify and strengthen their system, about 98 per cent of coughs, colds and pneumonia might be avoided. These troubles are simply the result of weakness, which produces a catarrhal condition of the mucous membrane, which is an internal skin of the body. When this skin is weakened, it becomes infected with germs which are carried through the system by the blood. These parasites attack and break these delicate tissues and set up a soreness which produces what is in reality an external sore throat.

The only thing that will cure coughs and colds and prevent pneumonia is a medication which is absorbed and carried by the blood so that the diseased membrane is disinfected, cleaned, soothed and healed. We have a remedy which we honestly believe infallible and unsurpassable for the prevention and cure of coughs, colds and all catarrhal conditions. It is the prescription of a famous physician, who has an enviable reputation of 30 years of cures gained through the use of this medicine. We promise to either effect a cure in every case or make no charge for the medicine. We urge everybody in Oregon City who has need of such a medicine to try Rexall Macu-Tone.

It stands to reason that we could not afford to make such statements and give our own personal guarantee to this remedy if we were not absolutely positive that we could substantiate our claim in every particular, and we see no reason why anyone should hesitate to accept our offer and try it. We have two sizes of Rexall Macu-Tone: A large 50c and a 10c. Sometimes a 50c bottle is sufficient for a cure. As a general thing, the most chronic case is cured with an average of three large bottles. Remember, the medicine will coat you nothing for if you are not satisfied in every particular. Huntley Bros. Co., Main street, Oregon City.

Shannon to Close Meetings Sunday.

Evangelist Shannon tried to close revival meetings at the First Baptist church last Sunday, but could not on account of the very great interest. In his fourth Sunday afternoon sermon to men only, last Sunday, there was a larger attendance than at any other time and at all the services through the day about seventy-five people manifested the desire to lead the Christian life. At the morning service the pastor gave the right hand of fellowship to seventy-nine new members. As this paper goes to press there are reported 320 conversions and 150 of these have united with the Baptist church. Many of the other churches in the city are benefited by the revival and are taking in new members from among the converts. Every church in the city has had its spiritual life quickened as a result of the effort at the Baptist church. Large crowds are found at all the services. The meetings will close with next Sunday's services.

Gladstone Church to Be Completed.

In response to the wishes of many citizens and friends, the board decided to push the building of the Church of Christ, of Gladstone, to completion, instead of waiting until next year as was first planned. Material will be put on the ground as rapidly as possible.

Services will be adjourned to the basement next Sunday, as the plasterers' scaffolds will occupy the auditorium. Sunday school will be held at 10 o'clock Sunday.

Morning theme, "The Parable of the Passover." Evening theme, "Fruitless confession." All cordially welcomed.

Colds and Croup in Children.

"My little girl is subject to colds," says Mrs. Wm. H. Serig, No. 41, Fifth St., Wheeling, West Va. "Last winter she had a severe spell and a terrible cough, but I cured her with Chamberlain's Cough Remedy without the aid of a doctor, and my little boy has been prevented many times from having the croup by the timely use of this syrup." This remedy is for sale by Huntley Bros., Oregon City and Molalla.

New Choir Well Received.

The newly organized choir of the United Brethren church made their first appearance Sunday night, when they held the first of a series of monthly song services. A good number of people were in attendance. The choir conducted themselves in an admirable manner under the efficient leadership of W. W. Aldredge, and there is no doubt but that, with a little more practice, they will equal any choir in the city. The members of this church are planning to hold revival services in the near future.

Recital Well Received.

Charles Riley McCalley, "the man with two talents," appeared in recital at Shively's opera house in this city Monday night, and those who were present can now see why he earned his unique title. The crowd was not the largest that ever attended an attraction in this city, but those who were present express themselves as being highly pleased with the evening's entertainment. As a reader of James Whitcomb Riley's quaint poems, Mr. McCalley cannot be excused, and while he uses but few gestures, his voice, in repeating the words, is as realistic as possible. Mr. McCalley plays the violin in a sweet manner, and held his audience enraptured whenever he played. His intonations on the violin were great, and the instrument was made to sound like the human voice. Mrs. Leon Dea Larzoe sang "Non a Vere" in her usual charming manner, and was forced to respond to an encore. Miss Spaulding, who accompanied Mr. McCalley, played in a manner far above the ordinary, and gave two piano numbers also that were well received. The quartet by Mrs. Dea Larzoe, Mrs. Roake, Miss Roake and Mrs. Green was excellent and received hearty encore.

Honors for Linden

J. R. Knodell is superintendent of the league, which has its headquarters in the Commercial Block, Portland. Mr. Linden was one of the foremost workers in the cause of prohibition at the last election.

The Albany Apple Fair occupied the center of the stage in Oregon activities last week. Albany gave Portland, Eugene and Salem an object lesson in entertaining that it will take those cities a long time to equal. The town is growing and building hard surface pavements, while apples show were equal to the best.
