### Reception for Miss Horn.

Pioneer Chapter, order of Eastern Star, will hold a reception and banquet on Tuesday evening, November 24, in honor of Worthy Matron, Miss Alvina M. Horn, who has recently returned from an extended visit to the eastern states. The Portland Chapters have been invited to participate.

Be not diverted from your duty by any idle reflections the silly world may make upon you, for their censures are not in your power, and consequently should not be any part of your concern.

### Tie Game at Willamette.

After two hard-fought halves had been played, the score at the end of the football game on Willamette Field Saturday, between the Willamette school and the McLoughlin Institute stood 5 to 5. The Catholic lads were greatly handicapped by the absence of Freeman, their heaviest man, and Michels, the star place kicker, who were on the sick list. Both of the teams scored in the last half of the game. These two teams will play a series of three games. The line-up in Saturday's game was as follows:

| Willamette: | | McLoughlin: |
|---|---|---|
| Berry | LER | Sheahan |
| Warner | LTR | Scherzinger |
| Waldron | LGR | Weber |
| Limm | C | P. Roter |

### Presented With Purse.

The Baptist choir last Sunday evening presented the singer-evangelist, Harry M. Ross, with a purse made up by the members. Mr. Ross has done such excellent work during the meetings in the past few weeks that he has won the hearts of hundreds in and out of the choir, and it was to show their appreciation of his work that the choir made the beautiful gift.

### Crystal Lake Park Closed to Fishing and Regular Dancing Days.

Owing to the many improvements contemplated for the coming season, Crystal Lake Park will be closed to fishing and regular dancing. The lake is being enlarged to double its former capacity, and when completed will afford excellent boating and other aquatic sports. It is Mr. Witte's purpose to make Crystal Lake Park one of the finest and cleanest summer resorts on the coast. Besides enlarging the main park, which contains seven acres of beautifully laid out grounds, several hundred shade trees have been set out this fall, the grounds leveled off and will be reseeded to orchard grasses. A profusion of electric lights have been installed, creating a brilliancy equal to the light of a shining sun at noonday.

and that the Courier will continue to be the most sought-for paper in the county throughout the coming year, as it has in the past.

### Finds Friend—Loses Money.

While strolling around the streets of this city Monday evening, Frank Whitton met an old flame of his, Kate Johnson. Their delight over seeing each other was mutual, and in the course of their conversation, Kate informed Frank that she had a room in one of the local hotels, and would be "dee-lighted" beyond measure if he would call on her. To this Whitton readily agreed, and a few moments later found him hurrying thence, with a bottle of stuff that's aged in wood, to stimulate cheerfulness.

Kate was waiting for him, and soon the bottle was not quite as full as at first, while the couple were just the opposite. Becoming very mellow, Frank lapsed into balmy sleep, and did not awake for several hours. "Oh what a difference," thought Frank, for Kate was among the missing, as was $38 that Whitton had in his pockets when he entered the room. Kate was arrested the following day, and brought before Justice Samson. After listening to the evidence, the judge and Prosecuting Attorney Livy Stipp decided that it was insufficient, and the woman was given her liberty.

# A $12,000 Check

DO YOU THINK the postman will leave at your door, next New Year's Morning, a $12,000 check? That very thing would happen every year of your life had you invested $1,000 in Munsey's Magazine when that enterprise was young. But of the thousands who listened to the **Munsey Idea,** few had faith in it. These few are the ones who every year receive twelve times their original investment in dividends. Perhaps **you** would have passed up the **Munsey Idea.** Perhaps **you** will pass up the **Bonville Idea.** You will also, some day, look back to the neglected opportunity of investing $100 where it would have yielded you a comfortable living for the remainder of your life. You may also be one of the few who will grasp the idea that will yield such reward as befell the Munsey faithful. Back of the **Bonville Idea** is a half-million dollar guarantee, subscribed by substantial business men. The great work that guarantees great success is accomplished. The few dollars that are required to perfect the undertaking will be furnished by those who dare to be leaders—not by those who pursue a lifelong journey in beaten paths. You may be such an one. If so you are invited to investigate, possibly you may go away convinced that the **Bonville Idea,** in the magazine world, is greater than the **Munsey Idea.** Perhaps you may return to back your conviction with an investment of $100, $200, or even $1000

Every person without a single exception who reads this should resolve to give a single hour to looking into a proposition such as presents itself but once in a life time.
