Nearly all other Gough Gures are constipating, especially those containing opiates. Kennedy's Laxative Cough Syrup moves the bowels. Contains no oplates.

## Kennedy's Laxative Cough Syrup

"A Cold or a Cough nearly always produces constipation—the water all runs to the eyes, nose and throat instead of passing out of the system through the liver and kidneys. For want of moisture the bowels become dry and hard."

Kennedy's Laxative Cough Syrup relieves Golds by working them out of the system through a copious action of the bowels.

### NAME YOUR FARM

Throughout the United States there are many farms that are not named, and the Courier believes that it is just as important that the farms should be named as it is important that the various business houses are named. Give your farm a name. Fill out this coupon, and send it to the Oregon City Courier, and your farm name will be placed on the Courier Registered list of Farms. The name sent in will be published together with the name of the proprietor. Use coupon below,
