Charges Cruelty, Desertion and Non-Support.

A great many women think that when their huge lords call them bad, abusive names, and make false accusations regarding their character they have sufficient cause for asking for a decree of divorce; but worse than this is the tale of woe stated by Alice Lillian Quinier in her complaint against William Quinier. Cruelty, desertion and non-support are the charges made against the defendant.

On April 12, 1895, the pair were wedded in Portland, and two children were born to them. William was no worse than the average man till five years after the nuptials, when he deserted the family, and the plaintiff was compelled to provide for her children for a period of seven years, when like the prodigal son he returned, and effected a reconciliation with his spouse.

Quinier evidently forgot his promise to behave himself, for shortly after his return, the complaint states, he began to treat her in a brutal manner, swearing at her, making untruthful remarks regarding her character, and has frequently beat her, even in the presence of the children, often tearing her garments to shreds.

Some time ago he again left the family, taking the plaintiff's hat with him, and since then he has not returned. Plaintiff asks legal separation, \$22 a month for the support of her children, and an order restraining the defendant from molesting her or speaking to the children.

Women as Well as Men Are Made Miserable by Kidney and Bladder Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh, or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of **Swamp-Root** is soon realized. It is sold by druggists, in fifty-cent and one-dollar size bottles. You may have a sample bottle by mail free, also a **Home of Swamp-Root** pamphlet telling all about Swamp-Root, including many of the thousands of testimonials received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

Does at Canby.

Rev. C. W. Ross, for the past two years pastor of the German Evangelical church at Canby, died at that place Sunday morning. He was 50 years of age, and with his family came to Oregon from Michigan. He is survived by his wife, a daughter and three sons. The funeral services were held Tuesday afternoon from the church where he was pastor. The remains were laid to rest in the Zion cemetery. The funeral services were attended by a large number of friends and admirers of the deceased.

Makes the Liver Lively.

Orino Laxative Fruit Syrup gives permanent relief in cases of habitual constipation as it stimulates the liver and restores the natural action of the bowels without irritating these organs like pills or ordinary cathartics. Does not nauseate nor gripe and is mild and pleasant to take. Remember the name Orino and refuse substitutes. Jones Drug Co.

Fits Lien.

William Knopp has filed a lien in the county clerk's office on a tract of land in Risley, belonging to Lobetta Labowich for \$30. This amount is due for rock and sand furnished by the plaintiff for the woman's dwelling.
