Highland.
A special road meeting will be held here this coming Saturday for the purpose of levying a special road tax. The two lady evangelists who are conducting a protracted meeting at the Highland Baptist church have continued their meetings for another week.
W. B. Fairpowl and wife were in Oregon City one day last week.

is heard all day at this shop. We like our work and therefore, do it well. Much depends on the skill, care and experience in keeping your horse in good condition and free from lameness. When in need of an up to date farrier go to Storey & Thomas for the right sort of shoeing.

School in both upper and lower Highland is progressing nicely. It must be that the boys are expecting something as it seems they are getting their cow bells and tin pails ready for use.
Grain is looking fine in this neighborhood.
Rev. W. H. Wettlauger of Timber Grove was across the line this week calling on old friends. He seems to be in excellent spirits, and is highly pleased with the cream business and the prospects for the farmer.

A Dangerous Operation.
is the removal of the appendix by a surgeon. No one who takes Dr. King's New Life Pills is ever subjected to this frightful ordeal. They work so quietly you don't feel them. They cure constipation, headache, biliousness and malaria. 25c, at Jones Drug Co.'s drug store.

Calls His Farm "Walnut Creek Farm."
Editor Oregon City Courier.—Being heretofore in favor of your plan of naming the farms, I would like to state that I have named my place "Walnut Creek Farm," as I raise several acres of walnuts in a grove on the bank of a pretty creek that runs through my property. My farm consists of 110 acres, and I raise a variety of things, chiefly goats and sheep. We reside about two miles from the old Stafford postoffice. Respectfully yours,
J. R. DeNEUI,
R. F. D. No. 5, Sherwood, Or.

We have it at a saving to you. When it comes to style and fit we are excelled by none in the Men's Clothing, furnishing and shoe lines. Where? At J. Levitt's, of course. Great Sale.

IDEAL WINTER STABLE

FIFTY HORSES WILL BE TAKEN TO CANBY TO TRAIN ON FAIR RACE TRACK.

The grounds of the Clackamas County Fair Association at Canby are becoming a popular rendezvous for Oregon horsemen and it is expected that more than 50 horses will be taken there to spend the winter. The track is in fair condition and is very advantageously situated for winter training. L. B. Lindsey, from Albany, has rented the Charles N. Wait barn and has six horses there. He will bring more animals later. San Casto, of Salem, a well known Northwest horseman, has eight horses at the Fair grounds, and J. R. Sawyer, of Portland, will move to Canby for the winter, bringing all of his horses. In another year there will be more stable room and a better track on the grounds and the association will probably derive a comfortable revenue from horsemen for the use of the grounds and buildings.

Miss Block Entertains.
A very pleasant entertainment was given by Miss Essie Miriam Block at her home in this city, Wednesday evening, in honor of several young people who assisted as ushers at her entertainment a short time ago. A number of young ladies and gentlemen were present and cards were the feature of the evening's entertainment. The gentlemen's first prize, a very handy pocket inkwell, was awarded

to George Hankins, the ladies' first prize, a beautiful china cup and saucer, was awarded to Miss Mame Long. A very interesting guessing game was indulged in, the prize being awarded to Miss Mabel Toomath. The following guests were present: Messrs. Beldon Ganong, George Hankins, Charles Bollinger, Kenneth Stanton, Carl Moore, William Howell, William Wilson Norman, and the Misses Dolly Pratt, Merle Keck, Anna Shannon, Mame Long, Mabel Toomath, Elizabeth Ross and June Charman, of this city; and Miss Ethel Graves, of Portland.

Eighteen New Members.
At the regular meeting of Oregon City Lodge, No. 302, the Fraternal Brotherhood in Willamette Hall, on Wednesday night, eighteen new members were received into the order. Following the initiation of these, the following officers were elected for the coming six months: President, B. L. Commons; vice-president, Nathan Bishop; secretary, Miss Edith Jackson; treasurer, Fred Metzner; chaplain, Mrs. F. H. Strebis; sergeant, C. M. Burke; mistress-at-arms, Mrs. C. A. Davis; outside doorkeeper, O. Otto; inside doorkeeper, Frank Shirley; musicians, Oscar Woodfin and Miss Edith Jackson; delegate to the state convention, Fred Metzner alternate, Edward Pro.

A special meeting of the new uniform rank will be held Monday in Willamette Hall, when the organization will be perfected, and officers elected.

Lecture a Success.
A large crowd gathered in the First Presbyterian Church Wednesday evening to listen to the lecture given by the Rev. Andrew J. Montgomery on Mt. Jefferson. Mr. Montgomery is very much of an enthusiast on outdoor life and spends his vacation in the mountains every year, and is therefore an interesting lecturer on mountain scenery, and the large number of views that were thrown upon the canvass only added to the interest, portraying the beauty and grandeur of Oregon's scenery. About \$40 was added to the choir fund from this entertainment for the purchase of music and material.

Women as Well as Men Are Made Miserable by Kidney and Bladder Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased. Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh, or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of **Swamp-Root** is soon realized. It is sold by druggists, in fifty-cent and one-dollar size bottles. You may have a sample bottle by mail free, also a Home of Swamp-Root pamphlet telling all about Swamp-Root, including many of the thousands of testimonial letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

A \$12,000 Check

DO YOU THINK the postman will leave at your door, next New Year's Morning, a \$12,000 check? That very thing would happen every year of your life had you invested \$1000 in Munsey's Magazine when that enterprise was young. But of the thousands who listened to the **Munsey Idea**, few had faith in it. These few are the ones who every year receive twelve times their original investment in dividends. Perhaps you would have passed up the **Munsey Idea**. Perhaps you will pass up the **Bonville Idea**. You will also, some day, look back to the neglected opportunity of investing \$100 where it would have yielded you a comfortable living for the remainder of your life. You may also be one of the few who will grasp the idea that will yield such reward as befell the Munsey faithful. Back of the **Bonville Idea** is a half-million dollar guarantee, subscribed by substantial business men. The great work that guarantees great success is accomplished. The few dollars that are required to perfect the undertaking will be furnished by those who dare to be leaders—not by those who pursue a life-long journey in beaten paths. You may be such an one. If so you are invited to investigate, possibly you may go away convinced that the **Bonville Idea**, in the magazine world, is greater than the **Munsey Idea**. Perhaps you may return to back your conviction with an investment of \$100, \$200 or even \$1000

Every person without a single exception who reads this should resolve to give a single hour to looking into a proposition such as presents itself but once in a life time.
