"I can testify to the great merits of your Emulsion, especially in all diseases of a pulmonary nature. It has saved many lives that otherwise would have yielded to consumption. . . we keep Scott's Emulsion in the house all the time and all the family use it."—MR. C. J. BUDLONG, Box 158, Washington, R. I.

Scott's Emulsion

does ALL it does by creating flesh and strength so rapidly that the progress of the disease is retarded and often stopped. It is a wonderful flesh builder and so easy to digest that the youngest child and most delicate adult can take it. If you are losing flesh from consumption or any other cause take SCOTT'S EMULSION. It will stop the wasting and strengthen the whole system.

Be sure to get SCOTT'S

ALL DRUGGISTS

Let us send you a copy of Mr. Budlong's letter—his case is really wonderful—and some interesting literature regarding our preparation. Just send us a card mentioning this paper.

Delay in Choosing Gifts Means Disappointment

Waiting until the last week before Xmas to select gifts invariably means disappointment for the giver. People who choose early get the cream. Don't be a late one and have to take what is left. A visit to our store now will settle all your gift giving problems. Holiday money will go further here than ever this year. We have never been able to offer such values as our stock affords this year. We urge you to come, but not to buy, because our goods sell themselves.

The Lucky Numbers on Opening Day

Following are the numbers drawn:

First Prize, 6269. Second Prize, 6263. Third Prize, 6328. Fourth Prize, 9605. Fifth Prize, 6295

If you have any one of the above numbers on the yellow ticket given you at our "opening" the prize is yours and waiting for you whenever you call for it. Our one regret is that we failed to have enough souvenirs to go around, but we underestimated the way our friends would respond to our efforts. We want to thank you all for the generous response to our invitation. We assure you we appreciated the hundreds of visitors who helped to jolly us along.

After all what could be a more sensible or useful gift than an Umbrella? And the good thing about this sort of a present is the price. You can get something good and serviceable as low as a dollar and get a swell one anywhere up to ten or fifteen dollars. We buy of the big Eastern manufacturers direct, which insures the best quality at the lowest possible price.

Some Delayed Music Rolls

Have recently shown up—elegant goods that we forgot about buying. We have marked these extremely low in order to close them all out before the Holiday season closes.

A present of a Pipe or Cigars never goes amiss with the average man. Ten chances to one he will appreciate this sort of a present more than anything else you can give. Last year our supply of Holiday packages of cigars ran out long before Xmas, but we have doubled our quantity this time and will be prepared for every demand. We have them by the box as low as 50 cents and as high as \$11.00.

Record Cabinets

Haven't your records knocked around long enough? Would a fine oak or walnut cabinet in which to keep your records clean and safe, and on which to keep your machine out of the way, look good to you? We have about 25 to select from at prices from \$10 to \$30. Easy payments if you wish.

Collar and Cuff Boxes

and all kinds of Leather Goods. There are so many pretty new things in these lines that it is impossible to describe them, but they are out for your inspection, marked in plain figures, so you can look them over for yourself.

EXCELLENT VALUES IN HIGH CLASS JEWELRY

A Fascinating Stock is the center of attraction in a village store, where Good Things are sold. On the counter a catalog argues for Diamonds, Watches, Clocks, etc. Come in and Look! This done, the sales will take care of themselves.

Xmas Tree Ornaments

Our store has always been headquarters for everything new in these lines and we will not disappoint you this year. Plenty of candles and candle holders.

Our Ton of Candy

is here. We think every year that Lowney's Xmas Candy boxes are prettier than they were the year before, and we believe they are. Anyhow this year they are beautiful and we bought lots of the popular priced kind this time to sell for \$1.00 to \$2.50. Besides Lowney's we have McDonald's and Huyler's, so we can suit every taste and every pocket book. 5 cents to \$10.00

Empire Cut Glass

Is the equal of any Cut Glass made. The only place where it falls down is in price and that ought not to hurt any of us. Our Cut Glass prices are from 20 to 25 per cent. less than any of the much advertised kind, and if you'll take the trouble to compare them piece for piece, as we have done, you won't hesitate long to decide in favor of Empire Cut Glass.

The Home of Perfume

Not many places the size of Oregon City can boast of a store where perfume is handled so extensively or so carefully as it is in ours. People often come in and ask if we have this or that Imported Odor and seem quite surprised to find that we do have it. Of course we have it! And we have a fine case to keep such delicate goods in, where it's cool and no ray of sunlight strikes it. If you want the latest odor, kept right, and at the right prices we HAVE IT.

PHONOGRAPH

Here's a gift for the whole family. Nothing you can buy for Xmas will do for every member of the family so much as will the talking machine. It is truly a joy forever. On our easy payment plan anyone can afford to have one. Come in now and pick one out before the rush of the last few days before Xmas.

Waterman's Ideal Fountain Pen

With over 75 styles, sizes and points of this wonderful pen you can surely find just what you want. The \$2.50 Waterman is the same as the higher priced ones. The more expensive ones are larger and gold or silver mounted. We have also all kinds of \$1.00 Pens and one of our customers told us only a day or two ago that he wouldn't take \$5.00 for the pen he bought of us some time ago for \$1.00.

Shaving Sets

This is another popular man's present that we ran out of last year. We promised not to let it occur again, and so we bought a lot of the new ones this year.

50c. to \$7.50

KODAK

Don't forget the Camera for Xmas. Now that you do not have to bother with the dark room, picture taking is a pleasure from the time the button is touched until the picture is completed. Brownie, \$1.00, \$2.00 and \$5 Pocket Kodak, \$10, \$15, \$20 Brownie Kodak Box complete \$4.00

Pyrography

Burnt work is as popular as ever this year, and we have the complete outfits for \$1.75 to \$5.50. Wood to burn from 10 cents up.

Framed Pictures

If you want anything in the Picture line, you will find it in our picture room. Several lines we are closing out at less than the original cost and you will wonder how they can be sold at the price.

Holiday Books

More books are given for presents than any other one article. For some friends nothing else will do; for others they do better than anything else you can afford; for children and young people it wouldn't be Christmas without books. Our big stock is all ready; our book clerks can help you now—later it will be a jam. Lets select those books NOW. Remember we meet any Portland or mail order prices.
