

NATURE TELLS YOU

As Many an Oregon City Reader Knows too Well.

When the kidneys are sick, Nature tells you all about it. The urine is nature's calendar. Intrequent or too frequent action; Any urinary trouble tells of kidney ills. Doan's Kidney Pills cure all kidney ills. A. J. Wood, of 260 Cottage St., Salem, Oregon, says: "Kidney and bladder trouble became so bad with me about two months ago that I was obliged to do something to ease the suffering. The trouble bothered me most in the morning for two or three hours after I arose. The too frequent action of the kidney secretions was also very annoying and embarrassing. I had known people who had received the best of results from Doan's Kidney Pills and I finally procured a box. Before I had used one box I was completely free from every symptom of the trouble. The kidneys were strengthened and my general health became better. I can hardly express in words the good opinion I have of Doan's Kidney Pills."

The women of the Pacific Northwest are taking an increasingly active part in its development and advertisement, and the Portland Woman's Club will go out on a unique excursion next week, when they will gather the beautifully tinted branches of "Oregon grape" in quantity sufficient to decorate the famous Plymouth Church of Brooklyn, New York, of which Rev. Newell Dwight Hillis is pastor. The Portland Commercial Club will send this East by express in ample time to reach Brooklyn by Christmas.

CURES CATARRH

Huntley Fros. Co. Will Furnish the Medicine Free in Every Case Where They Fail to Cure Catarrh.

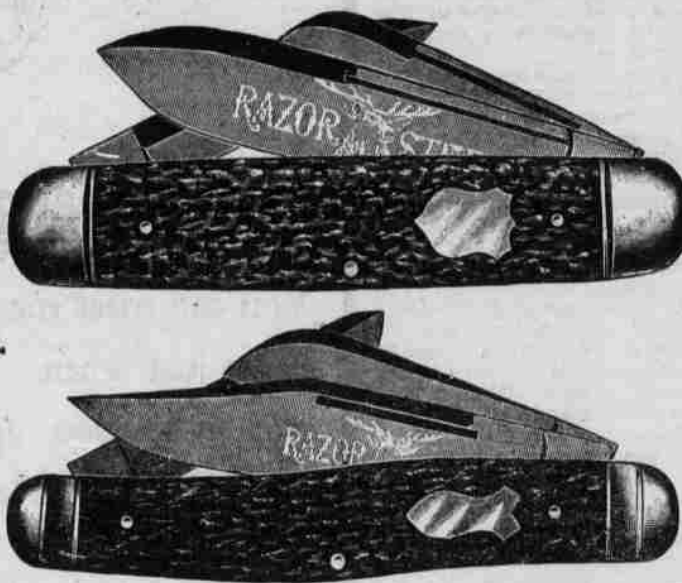

Neglect or pessimism we believe is the greatest enemy the public have to contend with when applied to the loss or recovery of health. Practically every case of constipation might have been cured if hope had been maintained and proper treatment had been resorted to at the first symptom of the disease. Until the advanced stage is reached, consumption is curable. Catarrh is responsible, we believe, for every case of consumption. It is about catarrh we want to talk to you today, incidentally consumption, since the two are so closely allied. We have a medicine made from the prescription of one of the most successful catarrh specialists known. This medicine has a record of 98 per cent of cures, and we believe it is the most positive without an equal. We are satisfied that we are right, that we will supply the medicine free in every instance where it is used according to directions for a reasonable length of time and fails to cure and give satisfaction in every particular. We want every one in Oregon City to try this medicine at our risk. There are no conditions or formality attached to our offer. We put the user under no obligation to us whatever. The medicine we want you to try is Rexall Muc-u-Tone. It is a catarrh remedy that goes straight to the seat of trouble. It is carried by the blood to every part of the system. It seeks out and destroys the germs or parasites which cause Catarrh. It purifies and enriches the blood, tones up the mucous cells, soothes and heals the tissues that were ravaged by the catarrhal parasite, and brings about a condition of health and strength that prevents the germs of consumption from ever getting a start. Besides this, Rexall Muc-u-Tone is a wonderful appetizer, digestive aid and flesh builder. Its good effects are felt from the very first dose. It is one of the largest and most satisfactory selling medicines that we have ever had anything to do with. We know so much of the great good that it has done that we personally back it up with our reputation and money, which fact should be ample guarantee to satisfy anybody. Rexall Muc-u-Tone comes in two sizes, 50c and \$1.00. We urge you to try it. Huntley Bros. Co., Main St., Oregon City.

Does not nauseate nor grip and is mild and pleasant to take. Remember the name Orino and refuse substitutes. Jones Drug Co.

Marked for Death. "Three years ago I was marked for death. A grave-yard cough was tearing my lungs to pieces. Doctors failed to help me, and hope had fled, when my husband got Dr. King's New Discovery," says Mrs. A. O. Williams, of Bac, Ky. "The first dose helped me and improvement kept on until I had gained 88 pounds in weight and my health was fully restored." This medicine holds the world's healing record for coughs and colds and lung and throat diseases. It prevents pneumonia. Sold under guarantee by Jones Drug Co. 50c and \$1. Trial bottle free.

No Man is Stronger Than His Stomach. A strong man is strong all over. No man can be strong who is suffering from weak stomach with its consequent indigestion, or from some other disease of the stomach and its associated organs, which impairs digestion and nutrition. For when the stomach is weak or diseased there is a loss of the nutrition contained in food, which is the source of all physical strength. When a man "doesn't feel right," when he doesn't sleep well, has an uncomfortable feeling in the stomach after eating, is languid, nervous, irritable and despondent, he is losing the nutrition needed to make strength. Such a man should use Dr. Pierce's Golden Medical Discovery. It cures diseases of the stomach and other organs of digestion and nutrition. It enriches the blood, invigorates the liver, strengthens the kidneys, nourishes the nerves, and so GIVES HEALTH AND STRENGTH TO THE WHOLE BODY. You can't afford to accept a secret nostrum as a substitute for this non-alcoholic medicine of known composition, not even though the dealer may thereby make a little bigger profit. Ingredients printed on wrapper.

Singer Talks to Thinking Women

I. THE DIFFERFNC IN SEWING MACHINES It is a mistaken idea that Sewing Machines are pretty much alike, when as a matter of fact there is a vast difference. There is but one machine that sews better than any other, and that one is the SINGER. This is because the Singer idea is distinctive--every year shows improvement in that idea. This is because the Singer factories are not only equipped with tools and machinery better calculated to make good sewing machines than any other, but this equipment is unique and not to be found elsewhere. This is because a half a century has been devoted to training and specializing men, each to do one thing BEST in sewing-machine construction. The Singer's superiority--its lifetime lasting value--does not appear on the surface. One machine does sew better than any other--and that one is the singer.
