**LOCAL ELEVEN MEETS DEFEAT**

**Good Game Played on Willamette Field Sunday in Spite of Rain**

On grounds that resembled a lake more than a gridiron, due to the heavy rain, an aggregation of local football enthusiasts were defeated 5 to 0 by the fast South Portland eleven. The local team, while composed of good players, were greatly handicapped by lack of team work, as this was the first time they had played together, and they did not possess a code of signals. The sloppy condition of the field rendered trick playing impossible, so both sides relied upon straight football. The game was fiercely contested, and it was not until a few minutes before the end of the last half that the visitors scored by making a touchdown.
